VII. OLD BUSINESS

   a) Update on Ordinance change for non-resident youth members: Jenna shared a video clip of Josue Estrada’s presentation at City Council’s Study Session on July 15, 2019. Council members had a few questions and comments, and ultimately agreed with the change with a request that the Commission adopt internal guidelines to ensure AYC does not become an exclusively non-resident youth commission. The ordinance change was supported, and is going through the process of being adopted into law.

   A discussion followed on what being a non-resident means, how it only applies to youth members who are not registered to vote, and why Council would seek to limit the number of non-resident youth on the Commission. Josue motioned a vote to place a percentage cap of non-resident youth members serving. After additional discussion, Josue tabled the motion until more voting members were present to discuss the cap that will be incorporated into AYC’s by-laws.

   Jenna presented for consideration another potential change to the by-laws regarding parent/guardians serving at the same time as their child. This will be discussed in more detail at a future meeting. Updating the by-laws can be done anytime during the new school year.

VIII. ANNOUNCEMENTS/ITEMS FROM THE FLOOR
