      Commission to partner for a training, they will be in charge of logistics. The
      training is a full day training (8 hours training) and it requires 16 people to
      participate. It is up to the Commission to consider this request.

   • Denver & AIRC Meet up
     a. The meeting with the Denver Immigrants and Refugee Commission will take
        place on March 8, 2018. Time is TBD, but the meeting will last approximately 2
        hours.
     b. Ricardo mentioned that last year’s meeting was held in an African restaurant, and
        although it was a good environment and setting, it wasn’t the right place to have
conversations and achieve the objective for which the meeting was planned. Ricardo suggested to the Commission to host the meeting in a room in the City Hall where there is more chance to achieve the meeting’s objective which is to share knowledge and good practices. He also mentioned that there wasn’t an agenda therefore there wasn’t a chance to talk about specific objectives, nor learn from the Denver Commissioners expertise.

c. Senaye commented that there is a need to have a controlled agenda and filed the motion to host the meeting in a Room in the City Hall. The motion passed unanimously.

d. Commissioners agreed to ask the Denver Commissioners to give a brief presentation regarding the work they do.

e. Fumanya volunteered to put together the agenda. A draft agenda was discussed in the meeting as follows:

- Start / set up & food
- Introduction
- Welcoming & video
- Denver’s Commission Presentation
- Q&A
- Networking

f. Co-Chairs will present the work of the Commission.

g. Senanye will update the powerpoint presentation that already exists and shorten it to adjust it to the agenda.

h. Suggestions about what type of food to serve & vendors will be sent to Ricardo.

6. Nominations for the ThankyouAmerica Campaign

a. Senaye mentioned that the Commission needs to send their nomination asap as the event is coming up soon.

b. Ricardo commented that there should be 3 nominees, one from each organization. Ricardo will share the nominations to the Commissioners by Friday March 02, so that the Commissioners have a couple of days to revise the candidates and select the person who they want to be recognized. Ricardo suggested that it may be good to select someone from the immigrant and refugee community.
c. Fumnaya asked if the Commission could nominate someone from the Commission or if self-nominations were accepted.
d. Commission members discuss the process on how to select the nominee. Commissioners unanimously agreed to have a meeting on Monday, March 5, from 6:00 to 7:00 pm in the City Hall (Room tbd) to discuss and select the nominee.
e. Ricardo mentioned that CCA requested from a person from the Commission to play the MC role during the event. Senaye filed the motion to volunteer Christian to play this role.
