Multi-use paths are... All weather and accessible paths shared by bicyclists and pedestrians along a greenway or road corridor. These paths are typically 10-12 feet wide, although some may be less in width. They are also known as greenway trails that follow linear open space corridors along natural features such as creeks and rivers and the associated floodplain or riparian buffer.

Grade-separated crossings are... Identified on this map as an overpass/underpass that has a sidewalk or other improvements to assist bicyclists and pedestrians in crossing major roads.

Tips for multi-use paths

- Share the path. Show respect for all users.
- Bicyclists must yield to pedestrians. Pedestrians have the right-of-way on multi-use paths and sidewalks.
- All path users must keep to the right half of the path except when passing or turning left.
- Signal when passing. Bicyclists: sound your bell or call out a warning as you approach.
- Respect nature. Ride or walk only on designated paths to protect parks, natural areas, private property, habitat, and yourself.
- Look both ways at path crossings.
- Keep pets on a short leash and clean up after them.
- No motorized vehicles are allowed on trails.
- Bicyclists should slow down when path is busy, on hills, curves and under/over bridges.

Safety on multi-use paths

- Keep fully alert and aware of your surroundings while exercising outdoors.
- Obey all multi-use path and road signs and use caution when crossing streets that intersect with multi-use paths.
- Don’t leave valuables in your private vehicle. If valuables are left in a vehicle place them in a location that is out of sight.
- Carry identification, and tell someone where you are going and when you will return, or exercise with a companion.
- Report suspicious or criminal activity to the College Station Police Department.
- Use caution during rain events.

Tips for on-street bicycling

- Use hand signals
- Choose the best way to make a left turn
- Make eye contact
- In front or far behind, not beside
- Be careful at intersections
- RIDE TO SEE AND BE SEEN
- Avoid road hazards
- Go slow on sidewalks
- Keep clear of door zones
- Obey traffic signs, signals
- Respect pedestrian rights
- Never ride against traffic

Bicycle theft prevention

Locking your bike to a bike rack can prevent most bicycle thefts. Use a good quality “u" clamp or "j" rimlock to lock the frame and is subject to change without notice.
