Signature of Applicant: _____ Date: _____

BELOW REVIEW INFORMATION IS FOR STAFF USE ONLY:

Zoning District: _____ Zoning Overlay: _____ (If "PD", look at the Ordinance/Plan to determine if there are any specific standards related to setbacks or fence materials. If we do not have the data, it cannot be processed OTC)

- 1. Complete Site Plan Yes No
- 2. Fence Detail Sheet (if using masonry columns or a combination) Yes N/A
- 3. Is the proposed fence
 - (i) replacement of existing fence Yes No
 - (ii) new fence in built-out neighborhoods Yes No
 - (iii) new fence in new subdivision Yes No
- 4. Is the proposed fence located out of the visibility triangles at intersections (7' X 60') and driveways (8' X 70')? Yes No
- 5. Is the fence located in a corner/reverse corner lot? Yes No

If yes, the fence cannot be taller than two feet on the side property line.

If over 2 feet, it must be set back at least 5 feet from side property line of a corner lot; and 7.5 feet from side property line of a reverse corner lot.

If the applicant is unable to meet the setback requirements, a site visit may be required to determine visibility (not OTC)

- 6. Is the fence in any of these locations or with any of these uses? None of these

See UDC Section 5.3.4 A

- In front yard Adjacent to freeway, arterial, or major collector street
- In front yard of townhomes Adjacent to minor collector or local street
- In front yard of lot 1 acre or larger Adjacent to park/open space
- In front yard, with agricultural use

If located in front yard, fence height cannot be taller than 4 feet, must provide minimum 75% transparency, and meet material requirements. **Exceptions:** For townhouses, lots 1 acre or larger, and agricultural uses

- a. Does the proposed fence comply with approved materials for location/use? Yes No
- b. Does the fence meet the height requirements for location/use? Yes No

- 7. Is the proposed fence located within an easement? Yes No
- If yes, has an Easement Use Agreement been completed? (only req'd for masonry fences) Yes N/A

Easement type:

- electric gas drainage (must see Engineer)
- water/sewer non-specific public access telephone n/a

- 8. Is the proposed fence located within floodplain? Yes No
- If yes, has a Floodplain Development Permit been completed?..... Yes N/A

- 9. Is a vehicle gate proposed? Yes No
- If yes, has a turnaround facility been provided? (only req'd on Major Collector and Arterials) Yes No
- If it is a rural road, is the gate at least 20 feet back of pavement? Yes No
