

Accelerated Streets Resurfacing 2022

Proposed Project Schedule:

07/18/22 - 09/30/22

Project Description:

This project consists of resurfacing the following street segments on Sunnyside Hill:

- Center Street from Itani Drive to Cityview Street, including the intersections.
- Cityview Street from Fountain Street to North End at public right-of-way limit.
- Dawnview Court from City View to End.

Miscellaneous other work will occur throughout the project and within the designated work areas (e.g., traffic circle installation, utility cover adjustments, concrete sidewalk/curb and gutter construction, and minor utility repairs). The City of Pullman will be working with Motley-Motley, Inc. to complete this project.

Travel Impacts:

- Project streets will be closed to thru traffic during the project duration with detours signed accordingly.
- Local residents will be allowed access to the work area, but should drive slowly and cautiously and expect delays during active construction.
