PREAMBLE

This Agreement between the City of Aurora, herein referred to as the "City", and the Fraternal Order of Police, Lodge # 49, herein referred to as the "FOP", is designed to promote the improvement of labor relations between the City of Aurora and the commissioned officers of the Police Department, to protect the public health, safety, and welfare by assuring at all times the orderly and uninterrupted operations and services of City government. It is understood that this Agreement was negotiated in good faith and shall not be violated or abridged in any way by either party.

ARTICLE 1. COPIES OF AGREEMENT

The City shall furnish to the FOP twelve (12) copies of this Agreement and shall provide members of the bargaining unit access to this Agreement through electronic means, prior to commencement of this Agreement.

ARTICLE 2. NON-DISCRIMINATION AND FOP ACTIVITY

Section 1: The provisions of this Agreement in accordance with applicable federal and state laws shall be applied equally to all employees without discrimination as to race, religion, color, gender, sex, creed, age, sexual orientation, disability, ancestry, genetic information, veteran status or political affiliation, governed only by the limitation of the law regarding bona fide occupational qualifications.

Section 2: No department supervisor or representative of the City shall discriminate against any employee because they have formed, joined or chosen to be represented by the FOP or because they have given testimony or taken part in any grievance procedure or other hearings, negotiations or conferences as part of the FOP recognized under the terms of this Agreement.

Section 3: When the Police Chief or his/her designee has granted prior approval, FOP officials or representatives shall be allowed time away from their assigned duty station in order to conduct FOP business. Nothing herein shall limit the discretion of the Police Chief or his/her designee in approving such time off.

Section 4: The City agrees to deduct the FOP membership or initiation fees, dues, general or special assessments from the monthly gross pay of each officer who individually requests in writing that such deduction be made. The FOP shall designate the amount of the deduction and the aggregate amount of such deduction shall be remitted, together with an itemized statement, to the FOP no later than the fifteenth day of the month in which such deductions are made. The written authorization for deduction hereunder shall remain in full force and effect until revoked in writing by the officer.

Section 5: The FOP agrees that it will indemnify and save the City harmless from all suits, actions and claims against the City or persons acting on behalf of the City whether for damages, compensation, or any other combination thereof arising out of the City's compliance with the terms of Section 4 herein unless such damages are caused by the City's mistake. The FOP shall reimburse the City for any and all reasonable costs and attorney's fees arising out of the
defense of any such action against the City. The City agrees to cooperate with the FOP and its counsel concerning any such litigation.

ARTICLE 3. LEAVE SHARING PROGRAM

All members of the bargaining unit shall be allowed to participate in the leave sharing program as described in the Employee Manual. The City shall continue the Leave Sharing Program for the duration of this Agreement. A Police Officer recommended by the FOP shall be appointed by the Chief on the leave sharing committee for decisions that affect members of the bargaining unit.

ARTICLE 4. UNIFORMS AND EQUIPMENT

Section 1: During the term of this Agreement, the City shall pay for all leather gear purchased, replaced, or repaired for all Police Officers.

Section 2: The City shall provide one pair of shoes and one pair of boots that conform to Department policy. When several types of footwear are approved for wear by the Chief of Police, the Officer shall be allowed to choose the type that he/she prefers under this provision. The City shall pay one hundred percent (100%) of the expense of repair and replacement for all footwear provided by the City. When footwear needs to be resoled, the Police Officer shall select any sole consistent with the rules and regulations of the Aurora Police Department.

Section 3: The City shall provide a clothing allowance of $60.00 per month for non-uniform Police Officers.

Section 4: The City shall provide five (5) full uniforms to each Police Officer. Each full uniform shall consist of one summer shirt, one pair of pants and one winter shirt. In addition, the City shall continue to provide one jacket, one raincoat, one hat and necessary ties.

Section 5: The City shall provide a vest allowance of $1000.00 for the cost of purchasing a soft body armor vest to include the purchase of external plates and external and internal carrier under the uniform shirt, provided that this allowance shall be made available to each Police officer only one time every four years. If the vest is rendered unserviceable due to Police related activity, the City shall pay the full cost for replacement of the vest. If the City receives federal funds for the purchase of vests, the money will be used to reimburse the officer up to the full cost of the vest. The Police Officer may purchase the vest from the City’s supplier in the same manner as any other equipment. If the vest costs more than the allowance, the Police Officer shall pay the difference. Also, the Police Officer may purchase the vest at any other supplier and submit the receipt for reimbursement up to the amount of the allowance.

ARTICLE 5. ANNUAL LEAVE

Section 1: The vacation schedule for all officers shall be as follows:

In calculating vacation accrual rates, Police Officers who were lateral hires will be given credit for three (3) additional years’ experience with the City (e.g., a lateral hire with three (3) years’ experience with the City shall accrue vacation at the same rate as a non-lateral hire with six (6) years’ experience with the City).

**Section 2:** Vacations shall be taken pursuant to the Employee Manual except that whenever, in the opinion of the Chief of Police, due to excessive work loads and/or lack of personnel, a Police Officer is unable to utilize vacation accrued in excess of 260 hours which has been previously scheduled and approved, he/she shall be compensated at his/her hourly rate for each and every hour above the maximum accrual.

**ARTICLE 6. PERSONAL LEAVE**

Effective January 1, 2019, after completion of one (1) year of continuous service, all members of the bargaining unit shall receive twenty-eight (28) hours of personal leave with pay each calendar year. The eight (8) hour increase in personal leave from the 2017/18 Agreement is in recognition of the January 1, 2019 discontinuance of the practice of adding eight (8) hours each year to the annual leave banks for officers not in administrative positions within the Department.

Personal leave may not be taken in increments of less than two (2) hours and may not be accrued from year to year. Any personal leave that is not utilized in the year in which it accrues shall be lost and there is no compensation for unused personal leave.

**ARTICLE 7. LEAVE OF ABSENCE**

All commissioned police officers may apply for a leave of absence of up to one (1) year for purposes of continuing their education or to deal with hardships. Requests for leave without pay must be approved by the Chief of Police and the City Manager. However, leave without pay which is given pursuant to the City Charter regarding criminal allegations against police officers shall not be subject to above procedures and limits, but rather shall be subject to the language contained in the Charter.

All annual leave must be exhausted before a leave without pay may be granted, except maternity leave or when leave without pay is used in disciplinary action, or when the Police Chief approves leave without pay for an employee's professional activities. Any leave taken pursuant to FMLA shall not be considered leave of absence under this Article. During a leave without pay of more than one (1) work shift, an employee does not accrue vacation, sick leave, retirement, or step increase. Failure of a police officer to return from a leave without pay shall result in termination. A police officer on leave without pay for more than one (1) calendar month must pay the full cost of insurance benefits.
ARTICLE 8. PAID INJURY OR ILLNESS LEAVE

Paid injury or illness leave shall be granted to all Police Officers pursuant to the provisions of the Employee Manual. In the event a Police Officer suffers a job-related illness or injury, Police Officers remaining in the employ of the City may be granted up to two thousand eighty hours (2,080 hours) of paid leave in connection with the illness or injury. Employees who are on injury leave shall continue to accrue sick and annual leave and receive City-provided group benefits. Nothing in this Article shall affect a Police Officer’s rights under the FMLA.

ARTICLE 9. SAFETY AND HEALTH

The City shall endeavor to conform to and comply with applicable Federal and State regulations regarding the safety and health of its employees during hours of employment.

ARTICLE 10. HEALTH AND DENTAL INSURANCE

Effective January 1, 2023 and 2024, the City shall offer members the same health and dental insurance plans offered to City employees not in a bargaining unit. Such offerings shall include multiple health insurance plans, with at least one plan having an actuarial value of at least 90% (meeting the actuarial value required of a platinum health plan as provided for in 45 CFR § 156.140) with a City premium contribution percentage to that plan of at least 87% for each coverage tier.

The FOP shall have representation on the City’s Benefits Committee with the opportunity to participate in discussions regarding any proposed changes to health insurance plans offered by the City.

ARTICLE 11. RETIREE HEALTH

The City shall contribute in 2023 an amount equal to 2.4 percent (2.4%) of the 2022 total bargaining unit base salary, and in 2024 an amount equal to 2.4 percent (2.4%) of 2023 total bargaining unit base salary to a trust fund established by the FOP for the purpose of providing payments to members of or those promoted from the bargaining unit for health insurance for those who retire from the City in accordance with APD DM 4.6.7 on or after January 1, 2023.

The trust fund will be established in accordance with all applicable State and Federal laws. Prior to any such contribution being made, the FOP will provide the City with copies of the properly adopted Trust and Plan, and indicate the designated trustee. The City will transmit the amounts in question on a quarterly basis within three weeks following the first payroll in April, July, October and January.

The FOP agrees that the sole responsibility of the City in connection with this contribution is to forward the funds in question to the designated trustee and the FOP and the trustee are fully and completely responsible for the investment, management, and disposition of such funds, once they have been transferred to the trustee as required in this Article. The FOP agrees to hold the City harmless from any and all actions arising out of these contributions and operation of the trust fund whether such action is commenced by any Police Officer, the trustee or
anyone against the City, and will fully and completely indemnify and defend the City against any such suits, pay for any and all costs, attorneys fees or damages associated with any such action, provided that the City agrees to allow the FOP to provide legal representation to the City to defend any such suit unless there is a identified and legitimate ethical conflict preventing such representation. The City shall have the right to participate in and supervise the litigation in accordance with the attorney-client relationship created by such representation.

ARTICLE 12. GROUP LIFE INSURANCE

During the term of this Agreement, the City shall provide group life insurance coverage for each Police Officer in the bargaining unit in an amount equal to twice each Police Officer's annual salary rounded off to the next highest one thousand dollars ($1,000.00) if not an even multiple of one thousand, and dependent life insurance in an amount of one thousand dollars ($1,000.00) for each dependent. Officers may purchase additional coverage at their own expense.

ARTICLE 13. WAGES

Section 1: The base salary schedule for the Police Officers effective on the first pay period that includes January 1, 2023 is shown in Appendix A as attached hereto.

The base salary schedule for Police Officers effective on the first pay period that includes January 1, 2024 is shown in Appendix B as attached hereto.

Section 2: Step Increases. All Police Officers holding rank of Patrol Officer, First Grade or higher, shall receive step increases as set forth in Appendices A and B for that rank.

The step increases provided in Appendices A and B shall be made as described within those Appendices, provided that the Police Officer receives a satisfactory performance evaluation for that year, up to the maximum step for the rank on the salary schedules in Appendix A and B. Failure to receive a satisfactory performance evaluation in any given year shall result in no step increase for that year.

Failure to qualify for a step increase in any given year shall not result in the loss of any step increases earned in prior years.

Police Officers who promote ranks shall be placed in the lowest step in the new rank that results in at least a 2% (two percent) wage increase for the Police Officer. This shall not apply to Police Officers in the assignment of Patrol Officer Specialist, Police Sergeant Specialist, or Agent Specialist; rather, Police Officers in those assignments who promote shall be placed in the lowest step in the new rank that results in a wage increase from the step the Police Officer occupied in the rank without the assignment (Patrol Officer I, Police Sergeant or Police Agent).

Section 3: For all officers hired after January 1, 1997 who are eligible for the death and disability coverage provided under §31-31-811(4), C.R.S., the City shall make the required contribution to the death and disability fund for the years 2023 and 2024.
Section 4: Police Officers designated by the City as Patrol Officer Specialists, Police Agent Specialists, or Police Sergeant Specialists shall receive Specialist Pay in the form of a pensionable increase of 7% of their base salaries while so designated.

ARTICLE 14. GRIEVANCE PROCEDURE

Section 1: A grievance under the Agreement shall be confined to an alleged violation of any express provision of this Agreement and shall not include any disciplinary matters. Any Police Officer or group of Police Officers may discuss any matter with their supervisor without invoking the formal grievance procedure provided for in this Article.

Section 2: A grievance must be initiated by either an aggrieved Police Officer or by the FOP on behalf of any one or more individual Police Officers. The grievant must reduce the grievance to writing and present the written grievance to the office of the Chief of the Police Department within ten (10) working days after the grievant knew or should have known the facts which gave rise to the grievance and, to trigger the Chief’s response time, send the grievance via email to all Deputy and Division Chiefs.

The written grievance should contain:

(a) a written statement of the grievance and the facts upon which it is based;

(b) a written allegation of the specific wrongful act and harm done; and

(c) a written statement of the remedy or adjustment sought.

Section 3: The Chief of the Police Department or his designee shall meet with the grievant and, if the grievant is an individual, representatives of the FOP in an effort to resolve the grievance within ten (10) working days after being presented with the written grievance. The Chief of the Police Department or his designee must respond in writing to the grievance within ten (10) working days following the meeting with the grievant and/or representatives of the FOP.

Section 4: If the grievance is not resolved to the satisfaction of the FOP by the Chief of the Police Department or his designee, the FOP may appeal the grievance to the City Manager within ten (10) working days of receipt of the written answer of the Chief of the Police Department or his designee. Within ten (10) working days after receipt of the appeal, the City Manager or his designee shall meet with the grievant and if the grievant is an individual, with representatives of the FOP to discuss the grievance. Within ten (10) working days after this meeting, the City Manager or his designee shall give the FOP his answer in writing.

Section 5: Within ten (10) working days after the City Manager has issued his written decision, if the FOP is dissatisfied with the decision, the FOP shall give written notice to the City Manager of its intent to arbitrate. Within ten (10) working days of the written notice of intent to arbitrate, the parties shall attempt to select a neutral arbitrator to hear and determine the dispute. In the event the parties are unable to agree upon a neutral arbitrator, either party or its representatives may request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service, and the parties shall choose the arbitrator by counter-striking the names on the list received. The findings of the Arbitrator shall be final and binding on all parties concerned.
Section 6: The Arbitrator shall have the authority to hold hearings and make procedural rules.

Section 7: The findings of the Arbitrator shall be consistent with law and with the terms of this Agreement. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify, any of the terms of this Agreement.

Section 8: The cost of any arbitration as well as the Arbitrator's fee shall be borne equally by the parties to the Agreement.

Section 9: Either party may request a Certified Court Reporter to take a stenographic record of the evidence taken at an arbitration hearing. If such stenographic record is taken, a copy of the transcript shall be provided to the Arbitrator. The party requesting a stenographic record shall pay the cost thereof, except that if the other party shall request a copy of any transcript, the parties shall share equally the entire cost of making the stenographic record.

Section 10: The term "working days" as used in this Article shall be inclusive of Mondays through Fridays during which the administrative offices of the City are normally open. The term "working days" shall exclude Saturdays, Sundays, and legal holidays.

Section 11: The number of days indicated at each level of the grievance procedure shall be considered as a maximum unless said limit is mutually extended.

Section 12: Nothing contained in this Article is intended to interfere with or abridge any constitutional rights of its employees to petition the City.

ARTICLE 15. CHANGES TO EMPLOYEE MANUAL

During the term of this Agreement, before the City implements changes in the Employee Manual, it shall provide a copy of the proposed changes to the FOP at least thirty (30) days prior to implementation (except when required by law) to allow the FOP to provide input to the City regarding the proposed changes.

ARTICLE 16. SAVINGS CLAUSE

If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes or ordinances, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

ARTICLE 17. OVERTIME AND COMPENSATORY TIME

Section 1: Overtime shall be paid at the rate of one and one-half times (1 1/2 X) a Police Officer's regular hourly rate. Such overtime shall not apply to Lieutenants or Captains, except as specifically authorized by the Chief of Police. Overtime is defined as work performed in excess of the hours normally scheduled for any one (1) shift (either eight (8), nine (9), or ten (10) hours depending on assignment) and/or work performed in excess of forty (40) hours in any consecutive seven (7) calendar day period for Police Officers working on a seven (7) day duty cycle. For Police Officers assigned a duty cycle longer than seven (7) days, overtime shall include
any hours worked over forty (40) per week when the weekly average of hours worked during the duty cycle is calculated.

For Police Officers assigned to a twelve (12) hour shift, overtime is defined as work performed in excess of the hours normally scheduled for any one (1) shift and/or work performed in excess of forty three (43) hours in any consecutive seven (7) calendar day period for Police Officers working on a seven (7) day duty cycle. For Police Officers assigned a duty cycle longer than seven (7) days overtime shall include any hours worked over forty three (43) per week when the weekly average of hours worked during the duty cycle is calculated.

On a pilot basis for 2023 and 2024 only, Lieutenants and Captains shall receive additional pay in accordance with Department policy for work performed in excess of forty-five (45) hours in any consecutive seven (7) calendar day period for Lieutenants and Captains working on a seven (7) day duty cycle (or for Lieutenants and Captains assigned a duty cycle longer than seven (7) days, for hours worked over forty-five (45) per week when the weekly average of hours worked during the duty cycle is calculated), as follows: (a) Lieutenants shall be paid their overtime rate for such work and (b) Captains shall be paid their regular rate for such work.

Section 2: Base Pay. Computation of the officer's hourly rate shall be determined by adding the officer's annual base salary and steps, to which the officer is entitled in a given year and dividing that total annual figure by two thousand eighty (2080) hours. Necessary adjustments, because of the mode of payment of any of these items, will be made on an annual basis.

Section 3: Members of the bargaining unit shall be paid overtime pay when those members are off duty and are required to appear for court, authorized administrative hearings, or they are required to come to work to perform police functions. Members will be paid overtime for the actual time worked except that there will be a two-hour minimum overtime pay for being called in from an off-duty status. Members shall receive two hour minimum overtime pay for multiple "show-ups" in the same day as long as the show ups are at different locations or at least two hours apart from one another at the same location. Members who are required to appear in court immediately after their normal tour of duty will be paid overtime for the actual time spent in court. Members who are required to appear in court within two hours immediately preceding their normal duty time will receive the two-hour minimum overtime payment.

The two-hour minimum overtime pay shall also apply to subpoenas to testify in job related civil cases as long as any other monies received from outside sources are turned over to the Department when submitting for overtime payment. When members are required to appear for Internal Affairs investigations or other municipal administrative hearings they shall receive the two-hour minimum overtime payment as long as their testimony is for the City. This section does not apply to an accused member who appears at an administrative hearing if the alleged charges are sustained.

Members who receive subpoenas for court while they are on suspension without pay shall not be entitled to the two-hour minimum or to overtime pay under any circumstances. All pay shall be at straight time for the actual time spent in court.

Section 4: Compensatory Time. All overtime worked pursuant to the collective bargaining agreement between the City of Aurora and the FOP shall be compensated for
in either money or time off pursuant to this agreement. All overtime work must be approved by the member's supervisor prior to the work being performed. Time worked will be recorded pursuant to the Department's established record keeping procedures.

After working overtime, members will designate whether they want to be compensated in money or time off. If the member requests compensation in money, that request will be honored unless a supervisor, for reasonable cause, denies the request. Any such denial is subject to review through the chain of command and ultimately through the grievance procedure of the collective bargaining agreement. If the member requests compensation in compensatory time off, said request shall be granted, absent extraordinary circumstances, until the member achieves a bank of one hundred sixty (160) hours (106.67 hours of overtime worked). If a member has accumulated a bank of one hundred sixty (160) hours or more, then a request for further accrual of compensatory time off must be approved by a Division Chief or his designee.

The maximum amount of time accumulated in a compensatory time bank for each member, subject to proper approval, is four hundred and eighty (480) hours of compensatory time off for overtime worked on or after April 15, 1986.

When a member wants to take compensatory time off which was previously earned, the following procedures will apply. If the member desires to take off a block of time less than forty (40) hours, his request to do so must be granted within fourteen (14) days of the request, except under emergency circumstances. If the member desires to take off a block of time of forty (40) hours or more, the member must make the request to do so at least thirty (30) days prior to the beginning of the time off. The request will be granted unless, in the judgment of the Chief and/or his designee, granting the request at the time in question would unduly disrupt the operations of the Police Department. Under all circumstances, pre-approved vacations take precedence over requests to use compensatory time.

Notwithstanding the provisions of this subsection 4, the City may, at its sole discretion, freely substitute cash, in whole or in part, for compensatory time off for all officers.

Upon termination of employment for any reason, including death, the Police Officer, his beneficiaries or his estate, shall be paid all compensatory time in the member's bank at the time of termination.

Section 5: On-Call/Stand-By. Members of the bargaining unit who are assigned on-call duty and who are specified on a list designated by the Police Chief shall be paid three (3) hours of overtime pay for each calendar week of on-call duty. Members may elect to convert these hours to four and a half (4.5) hours of compensatory time.

Section 6: K-9 Officers. Members of the K-9 unit will be compensated for the care and maintenance of dogs by being credited with four (4) hours of compensatory time at straight time rate per calendar week.

ARTICLE 18. WORKING OUT OF RANK

Section 1: After a Police Officer fills a vacancy and performs duties of a higher rank for one hundred and sixty (160) cumulative hours, he/she shall receive pay at the higher rank
for all subsequent hours of work in that rank. The one hundred and sixty (160) hours need only be accumulated one time for that rank following January 1, 2006.

Section 2: Whenever a Police Officer enters into a voluntary agreement with the Department to be assigned and performs duties of a higher rank in order to receive training and/or experience in the higher rank, and said agreement is for a predetermined length of time, the Police Officer shall not receive the pay of the higher rank until the one hundred eighty-first (181st) calendar day of performance of the duties of that higher rank.

ARTICLE 19: SICK LEAVE

Section 1: Sick leave shall be considered proper for the sole purpose of wage continuation when a Police Officer:

1. Is incapacitated due to illness, non-job related injury, sleep deprivation or disorder, or other bona fide medical condition that would interfere with a Police Officer’s ability to safely carry out job-related duties;

2. When the Police Officer or immediate family member requires health examinations or scheduled medical treatment;

3. To supplement worker's compensation benefits after the expiration of injury leave;

4. When the Police Officer is required to be in attendance for the necessary medical care of a member of the Officer's immediate family;

5. Any other reason required pursuant to Colorado’s Healthy Families and Workplaces Act.

Employees must notify their appropriate supervisor before their shift begins if they are going to be absent from work and the absence is to be charged to sick leave. If improper use of sick leave is indicated, supervisors have the authority to request that medical verification for absence be provided. Leave shall be taken according to the sick leave procedure in the Employee Manual.

Section 2: Each member of the bargaining unit shall accrue one hundred twenty (120) hours of sick leave for each two thousand eighty (2080) hours of regular work.

Section 3: Sick Leave Conversion. Sick leave hours accumulated in excess of established minimums may be converted annually on January 1 at a rate of one (1) hour's pay for each two (2) hours of sick leave up to the established maximum for Police Officers. A sick leave balance of seven hundred twenty (720) hours is required before any payment will be made. No more than two hundred forty (240) hours may be converted on an annual basis so that the maximum payment in any one year shall be one hundred twenty (120) hours.

Section 4: Payment Upon Separation. Upon separation after five (5) years of continuous service, Police Officers may receive one (1) hour's pay for every two (2) hours of accumulated sick leave provided such separation has not been the result of dismissal for cause.
The maximum payment for each Police Officer shall be for four hundred eighty (480) hours of unused sick leave. It is understood that the maximum payment specified in this section, of four hundred eighty (480) hours, is one-half (1/2) of the maximum sick leave accumulation allowed to be converted. In other words, upon separation, no more than nine hundred sixty (960) hours of sick leave may be converted at the rate of two hours accumulated sick leave for one hour of pay; therefore, a maximum payment equal to four hundred eighty (480) hours.

**ARTICLE 20. FLEXIBLE SPENDING ACCOUNT**

All members of the bargaining unit shall be allowed to participate in the Flexible Spending Account program pursuant to the rules and regulations of that program.

**ARTICLE 21. EMERGENCY LEAVE**

The Chief of Police shall allow any Police Officer up to five (5) working days or forty (40) hours emergency leave in the case of an emergency or death involving the Officer's immediate family as defined by the Employee Handbook. Emergency leave may also be granted in the case of natural disaster, such as a home fire or for a medical emergency, and shall include one (1) day for an Officer's attendance at the birth of his/her child.

Minor illnesses, normal childhood diseases, and scheduled medical treatment, including scheduled surgery, shall not be considered emergencies.

**ARTICLE 22. HOLIDAYS**

**Section 1:** The following shall be legal holidays for all members of the bargaining unit.

The parties to this Agreement mutually desire that all of its provisions shall be and remain effective from January 1, 2023, through and including December 31, 2024. However, in order to ensure compliance with the provisions of the TABOR Amendment, Article X, Section 20(4)(b) of the Colorado Constitution and because the parties recognize that there may be an inability on the part of the City of Aurora to contract at this time for items with a budget impact until such time as the budget process for the fiscal year 2022 is followed, the parties hereby agree that the FOP shall reopen this Agreement for negotiations of all items with a fiscal impact (impact on budget) which are to be effective on January 1, 2024 through and including December 31, 2024. This reopener shall be initiated within the time limits specified in Article XV of the Charter of the City of Aurora. In the event the parties are unable to agree that those items contained in the Agreement which by their own terms are to be effective on January 1, 2024 shall be placed into effect, then that party which refuses to renew the Agreement at that time shall be deemed to have bargained in bad faith during negotiations leading to the 2024 Agreement for any and all purposes.

It is specifically understood and agreed that this conclusion of failure to bargain in good faith shall be utilized by a fact finder, mediator or arbitrator appointed pursuant to Article XV of the Charter of the City of Aurora, and may be the basis relied upon by the fact finder pursuant to Article XV to recommend that those provisions contained in this Agreement to be effective on January 1, 2024 should be placed into effect on January 1, 2024.
IN WITNESS WHEREOF, the parties hereto have hereunto executed this Agreement as of the date hereof by their respective representatives duly authorized to do so this ____ day of ______, 2022.
