Corrective Action Plan

**Significant deficiency over internal controls over federal programs:**
The County did not report sub-awards under the Federal Funding Accountability and Transparency Act (FFATA).

**Remedy:**
The County was not aware of this reporting requirement. All County departments will be provided educational and compliance materials which they will institute into their respective grant compliance programs and procedures to ensure full compliance from here on out.

**Compliance violation of Oregon Minimum Audit Standards:**
The County Treasurer did not timely communicate to the State Treasurer that the County opened up two new bank accounts. State rules require the County to report new relationships with depositories within three business days.

**Remedy:**
The County Treasurer will amend the Investment Policies and Procedures to include the three-day reporting requirement as required by ORS 295.006(3).
