BEFORE THE BOARD OF COMMISSIONERS OF LANE COUNTY, OREGON

ORDINANCE NO: 14-11

IN THE MATTER OF AMENDING
CHAPTER 3 OF THE LANE CODE
[3.995]

WHEREAS, Uncontrolled gatherings of large groups of persons for extended periods of time can pose health and safety concerns and also have the potential to cause public nuisances if they are if not properly regulated; and

WHEREAS, the Board of Commissioners finds it necessary to establish health and safety requirements for large assemblies within Lane Code and require that licenses be issued for large assemblies; and

WHEREAS, the proposed license review procedures were the subject of a public hearing on October 21, 2014.

NOW, THEREFORE, the Board of County Commissioners of Lane County ORDAINS as follows:

1. Lane Code Chapter 3 is amended by removing, substituting and adding the following sections:

   REMOVE THESE SECTIONS

   3.995

   INSERT THESE SECTIONS

   3.995

2. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion is deemed a separate, distinct, and independent provision, and such holding does not affect the validity of the remaining portions.

ENACTED this 2nd day of December, 2014.

Pat Farr, Chair
Lane County Board of Commissioners

Recording Secretary for this Meeting of the Board

APPROVED AS TO FORM

Chapter 3

3.995 Outdoor Assembly License Review Procedures

(1) Purpose
The purpose of section 3.995 is to allow outdoor assemblies while protecting the health, safety and welfare of the surrounding community, participants and organizers of the assemblies.

(2) Applicability
This section applies to all lands within unincorporated Lane County, regardless of land use zone designations. Where a provision or condition imposed by this section conflicts or overlaps with another provision or condition imposed by this section or another applicable section of Lane Code or state or federal law, the more restrictive provision or condition governs.

(3) Definitions
For the purposes of this section 3.995, certain words and phrases are defined as follows and where appropriate include their plural form:

(a) Adequate means that the requirement:
   (i) Will accommodate the number of persons reasonably anticipated to attend the assembly for the duration of the assembly; and
   (ii) Will meet the standards required for the assembly; and
   (iii) Will accommodate the location and nature of the assembly.

(b) Applicant means a person who seeks a license authorizing an assembly.

(c) Assembly means an actual or reasonably anticipated gathering of 1,000 to 3,000 persons that continues or can reasonably be expected to continue for more than 12 hours but up to 120 hours. The duration begins on the earlier of when the first attendee can or is anticipated to arrive at the assembly and when the last attendee has left the assembly but does not include set up and break down times.

(d) Assembly Site means a plot of land that may include one or more contiguous or non-contiguous parcels that has been legally secured for the purposes of holding an assembly and is intended to contain all physical aspects of an assembly including but not limited to camping, concession, parking, performance, spectator, staging and storage areas and temporary structures. If buses are to be used to transport persons to the assembly those parking areas from which buses are scheduled to pick up persons for transport to the assembly are also considered part of the assembly site.

(e) County Official means any employee of Lane County, whether elected, employed, or appointed, conducting official business on behalf of Lane County.

(f) Director means the Lane County Planning Director.

(g) License means an official authorization issued to an organizer pursuant to this section that allows the organizer to hold, stage, sponsor, promote, organize, or advertise an assembly. Issuance of a license is not a land use decision as that term is defined in LC14.015.

(h) Organizer includes any person who holds, stages, sponsors, promotes, organizes, or advertises an assembly. Organizer also includes the applicant for a license under this section, the owner, lessee, possessor, or lessor of the real property upon which the assembly is to take place and the agent designated to conduct the assembly.

(i) Owner includes the owner, lessee, or possessor of the real property upon which the assembly is to take place.
(j) Person, for purposes other than determining attendance at an assembly, means any individual or group of individuals, corporation, partnership, or organization. For purposes of determining attendance at an assembly, “person” means an individual regardless of age.

(k) Public Health Services means the Lane County Public Health Division employees and representatives thereof.

(l) Sheriff means the Sheriff of Lane County or the Sheriff’s designee.

(m) Temporary Structure includes tents, trailers, portable chemical toilet facilities, stages, concession booths and other similar structures customarily erected or sited for temporary use and removed after an assembly.

(n) Traffic Control Devices (TCD) means signs, signals, markers, and other devices placed on, over, or adjacent to a roadway used to regulate, warn, or guide public traffic by authority of a public body or official having jurisdiction. Typically TCDs must meet the standard of the Manual of Uniform Traffic Control Devices.

(o) Traffic Control Measures (TCM) include, but are not limited to, TCD, personnel, materials, and equipment used to control public traffic through the assembly site. Flaggers used in implementing TCMs must be certified trained professional flaggers.

(p) Traffic Management Plan (TMP) means a written and drawn plan for providing the safe and efficient movement of public traffic to, from, and through the assembly site by means of traffic control measures and devices.

(q) Vehicle means any device in, upon or by which any person or property is or may be transported or drawn upon a public road such as motor vehicles and bicycles.

(4) License requirements

(a) A license is required to hold, conduct, advertise or otherwise promote any assembly.

(b) Each assembly requires a separate license.

(5) Prohibitions

(a) Lane County will not issue a license under this section to allow the construction of any permanent structures or allow for any other permanent physical alterations to or on the real property where the assembly will be held.

(b) Structures or parking associated with the assembly are not permitted to be located off-site.

(c) Only one assembly per assembly site may be held in any 90 day period and no two assemblies may be held closer than 90 days apart.

(d) A license issued under this section does not allow any uses that may be contrary to existing land use regulations, including but not limited to; base or overlay zoning requirements such as riparian, floodplain, greenway and coastal combining zones.

(6) Exemptions

This section 3.995 does not apply to:

(a) Any normal and customary activity or program that takes place on property lawfully developed with a school, church or other institutional use.

(b) Any assembly under the auspices of any local, state or federal agency conducted in response to an emergency or to conduct training to meet such emergencies.

(c) Any assembly in a local, county, or regional park authorized by the regulating authority.

(d) Any assemblies conducted on federal or state lands that are authorized by the state or federal regulating authority.
(e) Any assembly approved through a land use permit process under Lane Code.

(f) Any assembly that is allowed as an outright permitted use in the underlying zoning district.

(7) License fees

(a) An Applicant must pay an assembly application processing fee not to exceed $750.00 per assembly application upon filing the application with the Land Management Division. Payment of this fee does not exempt an applicant from the responsibility to obtain any other permit or pay any other fee that may otherwise be required including, but not limited to, temporary restaurant license fees, Oregon Liquor Control Commission fees or land use permit fees.

(b) An additional deposit fee may be required for assemblies to cover the costs of services by the Sheriff, Fire District, Health Department, Land Management Division and Oregon Department of Forestry in response to potential violations of the license or other violations of the law. If violations do not occur as a result of the event then the deposit will be reimbursed to the applicant.

(c) The Director may reduce or waive application fees if the applicant shows by a preponderance of evidence that they are unable to pay the application fees.

(8) Application submittal requirements

(a) The Applicant must submit following information for all assembly license applications on forms provided by the County:

(i) Name, address, phone numbers and email of the owner and all organizers.

(ii) The name and 24-hour contact information for the designated contact person(s) who has decision making authority and will be present at the assembly site at all times.

(iii) Map and tax lot number and addresses of all the properties proposed for use as part of the assembly, including any property used for parking, staging of equipment and storage.

(iv) Beginning and end dates of the assembly, including set-up and clean-up days.

(v) Hours of operation for the assembly.

(vi) The reasonably anticipated total event count, daily attendance, and peak attendance.

(vii) A general description of planned assembly activities.

(viii) A detailed site plan showing: all camping, concession, parking, performance, spectator, medical, security staging and storage areas; any existing structures or proposed temporary structures; natural areas; driveway access, parking and circulation areas; assembly site boundaries; or other information required by the Director.

(ix) Information necessary to demonstrate compliance with the applicable approval criteria.

(x) A statement certifying if alcohol will be served or allowed onsite and a copy of any authorization issued by the Oregon Liquor Control Commission.

(xi) A traffic management plan as required by LC 3.995(12)(a).

(xii) A detailed narrative describing how the public health requirements listed LC 3.995(12)(b) will be addressed.

(xiii) A statement explaining how compliance with applicable Oregon Liquor Control Commission regulations will be met if alcohol service is proposed.

(xiv) A detailed narrative describing how the fire protection measures listed in LC 3.995(12)(d) will be addressed.
(xv) A detailed narrative describing how the public safety measures of LC 3.995 (12)(e) will be addressed.

(xvi) A statement explaining measures that will be taken to ensure compliance with the County’s prohibited noise regulations contained in Lane Code 5.600.

(xvii) A statement signed by the organizer and owner providing written consent to allow the Land Management Division, law enforcement, public health, fire control, and other appropriate public officers or officials to come onto the premises during the assembly and also during set up and break down times.

(xviii) Other appropriate information that the Land Management Division may require to ensure compliance with this section.

(a) The Applicant and Owner must sign the application and submit it with the appropriate fee.

(9) Application submittal deadlines

(a) An application must be submitted no less than sixty days prior to the assembly unless a reduced time period is approved by the Director based on the size and characteristics of the assembly and anticipated time to process the license.

(10) Agency referral

(a) Agency Referral Requirements. The Land Management Division will send a referral of an assembly application to the following agencies within 10 days of receipt of an application:

(i) Lane County Sheriff.
(ii) Lane County Environmental Health Program.
(iii) Lane County Code Compliance Program.
(iv) State Fire Marshall.
(v) Local Fire District.
(vi) Lane County Public Works Transportation Planning Program.
(vii) Oregon Department of Forestry.
(viii) Oregon Liquor Control Commission if alcohol will be served or allowed onsite.

(ix) Other affected service districts and agencies that may have jurisdiction over the assembly, including but not limited to the water district, sewer district, and the Oregon Department of Transportation.

(b) All Land Management and Division referrals should contain a site plan and a description of the proposed assembly. The referral to Lane County Public Works Transportation Planning should also include a copy of the traffic management plan.

(c) Agencies receiving referral under LC 3.995(10)(a) have 10 days following the date of postmark or email date stamp of the referral to provide comments on the proposed assembly.

(11) Review and appeal procedures

(a) The Director will review applications for assembly licenses. The Director’s decision may be appealed to the Hearings Official by the applicant. An appeal must be filed within seven days of the Director’s final decision. An appeal of the Hearings Official’s decision may be submitted to the Lane County Circuit Court under ORC Chapter 34.

(12) Approval criteria

The applicant must provide evidence that for the duration of any assembly the following agency and departmental standards will be met.

(a) County Transportation Planning.
(i) Applicant shall provide a traffic management plan demonstrating how traffic will be managed and parking will be provided in accordance with the requirements of LC 3.995(12)(a)(i)(aa) – (jj).

(aa) Document anticipated number of vehicles attending assembly;

(bb) Document anticipated peak traffic times;

(cc) Provide adequate access routes to assembly site;

(dd) Provide adequate loading and unloading areas;

(ee) Provide adequate number of entries and exits;

(ff) Provide adequate traffic controls to warn and guide traffic around, past, and within the assembly site, and to minimize impacts on other road users;

(gg) Provide adequate emergency services access routes;

(hh) Provide adequate on-site circulation that safely and conveniently accommodates the movement of vehicles, pedestrians, and, where appropriate, public transportation services, throughout the assembly site and to and from assembly site;

(ii) Provide adequate measures and or notifications to minimize impacts on public transportation services; and

(jj) Provide adequate off-street parking:

(A) Provide parking space for one vehicle for every three persons expected or reasonably expected to attend assembly;

(B) Provide adequate ingress and egress from parking areas to facilitate the movement of any vehicle at any time to and from the parking area; and

(C) If buses are to be used to transport persons to the assembly, demonstrate parking is available at any site from which buses are scheduled to pick up persons for transport to assembly.

(b) County Public Health.

(i) All temporary food vendors are subject to the Oregon Department of Human Services regulations that pertain to the operation of temporary restaurants and must be permitted through Lane County Environmental Health.

(ii) An adequate supply of water meeting state drinking water standards for Chemicals and Bacteria must be available for the actual or reasonably anticipated number of persons present at the assembly site.

(iii) One or more gray water collection tanks of sufficient size must be onsite to accommodate disposal of all gray water generated by food vendors.

(iv) Applicants must provide a narrative describing how LC 3.995(12)(b)(iv)(aa)-(cc) will be met in accordance with the requirements of LC 3.995(12)(b)(iv)(dd), including:

(aa) Provision of adequate facilities to accommodate sewage disposal such as portable chemical toilet facilities or other approved sources.

(bb) Provisions for adequate hand washing stations.

(cc) Provision of adequate refuse storage and disposal facilities

(dd) Based on the actual or reasonably anticipated number of persons present at the assembly site, the standards listed in Table I below must be met:
Applicant must demonstrate compliance with the OLCC regulations if alcohol service is proposed.

Fire Protection Measures.
(i) Provision of adequate fire protection, emergency vehicle access, firefighting water supply, emergency medical personnel and facilities.
(ii) Provision of adequate wildfire protection, smoking areas, firefighting equipment, and supplies.

Public Safety Measures.
(i) Applicant must submit a plan for public safety demonstrating that adequate traffic control and crowd protection policing have been contracted for or otherwise provided by the organizer.

(aa) The plan must provide one traffic control person for each 250 persons expected or reasonably expected to be in attendance at any time during the assembly.

(bb) The plan must provide one crowd control person for each 100 persons, expected or reasonably expected to be in attendance at any time during the assembly.

(cc) The organizer shall submit the legal names, date of birth and necessary background information for all traffic-control and crowd-control personnel to be utilized during the assembly.

(dd) All such personnel must meet the following minimum standards in order to be approved as suitable:

(A) Be at least 21 years of age;
(B) Be in good physical health;
(C) Have training or experience acceptable to the Director to conduct traffic and or crowd-control duties.

Miscellaneous.
(i) Lane Code Chapter 5.600 – Prohibited Noise.
(ii) Any other section of Lane Code as deemed applicable by the Director

Contact, insurance, set-up and clean up requirements.
(a) The organizer must keep any license issued pursuant to this section and post a copy in a conspicuous place upon the premises of the assembly site. The posting must also include a description of the assembly, date, duration, on-site twenty-four hour contact information for the organizer with the authority to make decisions, and sheriff, fire control, public health and other appropriate agencies.

(c) Oregon Liquor Control Commission (OLCC).
(i) Applicant must demonstrate compliance with the OLCC regulations if alcohol service is proposed.

(d) Fire Protection Measures.
(i) Provision of adequate fire protection, emergency vehicle access, firefighting water supply, emergency medical personnel and facilities.
(ii) Provision of adequate wildfire protection, smoking areas, firefighting equipment, and supplies.

(e) Public Safety Measures.
(i) Applicant must submit a plan for public safety demonstrating that adequate traffic control and crowd protection policing have been contracted for or otherwise provided by the organizer.

(aa) The plan must provide one traffic control person for each 250 persons expected or reasonably expected to be in attendance at any time during the assembly.

(bb) The plan must provide one crowd control person for each 100 persons, expected or reasonably expected to be in attendance at any time during the assembly.

(cc) The organizer shall submit the legal names, date of birth and necessary background information for all traffic-control and crowd-control personnel to be utilized during the assembly.

(dd) All such personnel must meet the following minimum standards in order to be approved as suitable:

(A) Be at least 21 years of age;
(B) Be in good physical health;
(C) Have training or experience acceptable to the Director to conduct traffic and or crowd-control duties.

Miscellaneous.
(i) Lane Code Chapter 5.600 – Prohibited Noise.
(ii) Any other section of Lane Code as deemed applicable by the Director

Contact, insurance, set-up and clean up requirements.
(a) The organizer must keep any license issued pursuant to this section and post a copy in a conspicuous place upon the premises of the assembly site. The posting must also include a description of the assembly, date, duration, on-site twenty-four hour contact information for the organizer with the authority to make decisions, and sheriff, fire control, public health and other appropriate agencies.

</table>
(b) At least one onsite organizer must have twenty-four hour radio frequency access to the Sheriff and all onsite security staff.

(c) All onsite activities required to prepare the assembly site must occur within 72 hours prior of the advertised time the assembly is scheduled to begin. The Planning Director may, upon a showing of necessity, allow preparation to begin more than 72 hours before the advertised time of the assembly but those activities are limited to set up only and not commercial vending, rehearsals or sound checks.

(d) The organizer must remove and repair all remaining residue, debris, temporary structures or damage to property resulting from the assembly 72 hours after termination of the assembly. If a request is made prior to the assembly, the Planning Director may, upon a showing of necessity, allow more than 72 hours to remove any temporary structures.

(14) Inspection requirements.
All approved assemblies are subject to inspections prior to, during and after the assembly by county officials and other public officials and agencies to ensure the assembly is in and maintains compliance with the requirements of applicable laws. The organizer and owner shall provide written consent allowing law enforcement, public health, fire control, and other appropriate public officers or officials to come onto the premises of the approved assembly.

(15) Enforcement
(a) It is the intention of this section 3.995 to put the burden of preserving order upon the organizer of the assembly. If an assembly is not being operated in accordance with the rules and regulations prescribed in this section, as set forth in state law, and as provided for in the license, the organizers and owners are subject to revocation of the license and other sanctions as the law and this section provides.

(b) The organizers shall keep a count of persons and vehicles entering and leaving the assembly. If at any time during an assembly held under a valid license the number of persons or vehicles attending the assembly exceeds the number of persons or vehicles estimated in the license application, the Sheriff, or any of his or her deputies, may require the organizer to limit further admissions until a sufficient number of individuals or vehicles have left the site to bring the actual attendance down to the number estimated by the organizer.

(c) The county may bring an action in any court of general or equitable jurisdiction to prevent, restrain or enjoin any violation of this section 3.995.

(d) For any assembly held under a valid license, the Sheriff has the authority to order the crowd to disperse and leave the assembly site if the organizer cannot maintain order and compliance with all applicable state or local laws and the Sheriff determines that there is an immediate threat to public health or safety.

(e) The county may file suit to either compel compliance with, or seek compensation for its own actions related to, the clean-up requirements in LC3.995(13)(d).

(f) If any organizer violates any provisions of this section 3.995 or any License issued hereunder, the Board of County Commissioners or Planning Director may immediately revoke any license for an assembly and may seek any legal remedy available.

(g) Upon sufficient and reasonable proof of offence the county may impose a fine of up to $10,000 on each individual organizer pursuant to Lane Manual 5.020(3).

Chapter 3

3.995  Outdoor Assembly License Review Procedures

(1) Purpose
    The purpose of section 3.995 is to allow outdoor assemblies while protecting the
    health, safety and welfare of the surrounding community, participants and organizers of
    the assemblies.

(2) Applicability
    This section applies to all lands within unincorporated Lane County, regardless
    of land use zone designations. Where a provision or condition imposed by this section
    conflicts or overlaps with another provision or condition imposed by this section or
    another applicable section of Lane Code or state or federal law, the more restrictive
    provision or condition governs.

(3) Definitions
    For the purposes of this section 3.995, certain words and phrases are defined as
    follows and where appropriate include their plural form:
    (a) Adequate means that the requirement:
        (i) Will accommodate the number of persons reasonably
            anticipated to attend the assembly for the duration of the assembly; and
        (ii) Will meet the standards required for the assembly; and
        (iii) Will accommodate the location and nature of the assembly.
    (b) Applicant means a person who seeks a license authorizing an
        assembly.
    (c) Assembly means an actual or reasonably anticipated gathering of
        1,000 to 3,000 persons that continues or can reasonably be expected to continue for more
        than 12 hours but up to 120 hours. The duration begins on the earlier of when the first
        attendee can or is anticipated to arrive at the assembly and when the last attendee has left
        the assembly but does not include set up and break down times.
    (d) Assembly Site means a plot of land that may include one or more
        contiguous or non-contiguous parcels that has been legally secured for the purposes of
        holding an assembly and is intended to contain all physical aspects of an assembly
        including but not limited to camping, concession, parking, performance, spectator,
        staging and storage areas and temporary structures. If buses are to be used to transport
        persons to the assembly those parking areas from which buses are scheduled to pick up
        persons for transport to the assembly are also considered part of the assembly site.
    (e) County Official means any employee of Lane County, whether
        elected, employed, or appointed, conducting official business on behalf of Lane County.
    (f) Director means the Lane County Planning Director.
    (g) License means an official authorization issued to an organizer
        pursuant to this section that allows the organizer to hold, stage, sponsor, promote,
        organize, or advertise an assembly. Issuance of a license is not a land use decision as that
        term is defined in LC14.015.
    (h) Organizer includes any person who holds, stages, sponsors,
        promotes, organizes, or advertises an assembly. Organizer also includes the applicant for
        a license under this section, the owner, lessee, possessor, or lessor of the real property
3.985 Lane Code 3.985

upon which the assembly is to take place and the agent designated to conduct the assembly.

(i) Owner includes the owner, lessee, or possessor of the real property upon which the assembly is to take place.

(j) Person, for purposes other than determining attendance at an assembly, means any individual or group of individuals, corporation, partnership, or organization. For purposes of determining attendance at an assembly, “person” means an individual regardless of age.

(k) Public Health Services means the Lane County Public Health Division employees and representatives thereof.

(l) Sheriff means the Sheriff of Lane County or the Sheriff’s designee.

(m) Temporary Structure includes tents, trailers, portable chemical toilet facilities, stages, concession booths and other similar structures customarily erected or sited for temporary use and removed after an assembly.

(a) Traffic Control Devices (TCD) means signs, signals, markers, and other devices placed on, over, or adjacent to a roadway used to regulate, warn, or guide public traffic by authority of a public body or official having jurisdiction. Typically TCDs must meet the standard of the Manual of Uniform Traffic Control Devices.

(o) Traffic Control Measures (TCM) include, but are not limited to, TCD, personnel, materials, and equipment used to control public traffic through the assembly site. Flaggers used in implementing TCMs must be certified trained professional flaggers.

(p) Traffic Management Plan (TMP) means a written and drawn plan for providing the safe and efficient movement of public traffic to, from, and through the assembly site by means of traffic control measures and devices.

(q) Vehicle means any device in, upon or by which any person or property is or may be transported or drawn upon a public road such as motor vehicles and bicycles.

(4) License requirements

(a) A license is required to hold, conduct, advertise or otherwise promote any assembly.

(5) Prohibitions

(a) Lane County will not issue a license under this section to allow the construction of any permanent structures or allow for any other permanent physical alterations to or on the real property where the assembly will be held.

(b) Structures or parking associated with the assembly are not permitted to be located off-site.

(c) Only one assembly per assembly site may be held in any 90 day period and no two assemblies may be held closer than 90 days apart.

(d) A license issued under this section the does not allow any uses that may be contrary to existing land use regulations, including but not limited to, base or overlay zoning requirements such as riparian, floodplain, greenway and coastal combining zones.

(6) Exemptions

This section 3.995 does not apply to:
3.985 Lane Code

(a) Any normal and customary activity or program that takes place on property lawfully developed with a school, church or other institutional use.
(b) Any assembly under the auspices of any local, state or federal agency conducted in response to an emergency or to conduct training to meet such emergencies.
(c) Any assembly in a local, county, or regional park authorized by the regulating authority.
(d) Any assemblies conducted on federal or state lands that are authorized by the state or federal regulating authority.
(e) Any assembly approved through a land use permit process under Lane Code.
(f) Any assembly that is allowed as an outright permitted use in the underlying zoning district.

(7) License fees
   (a) An Applicant must pay an assembly application processing fee not to exceed $750.00 per assembly application upon filing the application with the Land Management Division. Payment of this fee does not exempt an applicant from the responsibility to obtain any other permit or pay any other fee that may otherwise be required including, but not limited to, temporary restaurant license fees, Oregon Liquor Control Commission fees or land use permit fees.
   (b) An additional deposit fee may be required for assemblies to cover the costs of services by the Sheriff, Fire District, Health Department, Land Management Division and Oregon Department of Forestry in response to potential violations of the license or other violations of the law. If violations do not occur as a result of the event then the deposit will be reimbursed to the applicant.
   (c) The Director may reduce or waive application fees if the applicant shows by a preponderance of evidence that they are unable to pay the application fees.

(8) Application submittal requirements
   (a) The Applicant must submit the following information for all assembly license applications on forms provided by the County:
      (i) Name, address, phone numbers and email of the owner and all organizers.
      (ii) The name and 24-hour contact information for the designated contact person(s) who has decision making authority and will be present at the assembly site at all times.
      (iii) Map and tax lot number and addresses of all the properties proposed for use as part of the assembly, including any property used for parking, staging of equipment and storage.
      (iv) Beginning and end dates of the assembly, including set-up and clean-up days.
      (v) Hours of operation for the assembly.
      (vi) The reasonably anticipated total event count, daily attendance, and peak attendance.
      (vii) A general description of planned assembly activities.
      (viii) A detailed site plan showing all camping, concession, parking, performance, spectator, medical, security staging and storage areas; any existing
structures or proposed temporary structures; natural areas; driveway access, parking and
circulation areas; assembly site boundaries; or other information required by the Director.

(ix) Information necessary to demonstrate compliance with the
applicable approval criteria.

(x) A statement certifying if alcohol will be served or allowed
onsite and a copy of any authorization issued by the Oregon Liquor Control Commission.

(xi) A traffic management plan as required by LC 3.995(12)(a).

(xii) A detailed narrative describing how the public health
requirements listed LC 3.995(12)(b) will be addressed.

(xiii) A statement explaining how compliance with applicable
Oregon Liquor Control Commission regulations will be met if alcohol service is
proposed.

(xiv) A detailed narrative describing how the fire protection
measures listed in LC 3.995(12)(d) will be addressed.

(xv) A detailed narrative describing how the public safety measures
of LC 3.995 (12)(e) will be addressed.

(xvi) A statement explaining measures that will be taken to ensure
compliance with the County’s prohibited noise regulations contained in Lane Code 5.600.

(xvii) A statement signed by the organizer and owner providing
written consent to allow the Land Management Division, law enforcement, public health,
fire control, and other appropriate public officers or officials to come onto the premises
during the assembly and also during set up and break down times.

(xviii) Other appropriate information that the Land Management Division may require
to ensure compliance with this section.

(a) The Applicant and Owner must sign the application and submit it
with the appropriate fee.

(9) Application submittal deadlines

(a) An application must be submitted no less than sixty days prior to the
assembly unless a reduced time period is approved by the Director based on the size and
characteristics of the assembly and anticipated time to process the license.

(10) Agency referral

(a) Agency Referral Requirements. The Land Management Division will
send a referral of an assembly application to the following agencies within 10 days of
receipt of an application:

(i) Lane County Sheriff.

(ii) Lane County Environmental Health Program.

(iii) Lane County Code Compliance Program.

(iv) State Fire Marshall.

(v) Local Fire District.

(vi) Lane County Public Works Transportation Planning Program.

(vii) Oregon Department of Forestry.

(viii) Oregon Liquor Control Commission if alcohol will be served
or allowed onsite.

(ix) Other affected service districts and agencies that may have
jurisdiction over the assembly, including but not limited to the water district, sewer
district, and the Oregon Department of Transportation.
(b) All Lane Management and Division referrals should contain a site plan and a description of the proposed assembly. The referral to Lane County Public Works Transportation Planning should also include a copy of the traffic management plan.

(c) Agencies receiving referral under LC 3.995(10)(a) have 10 days following the date of postmark or email date stamp of the referral to provide comments on the proposed assembly.

(11) Review and appeal procedures

(a) The Director will review applications for assembly licenses. The Director’s decision may be appealed to the Hearings Official by the applicant. An appeal must be filed within seven days of the Director’s final decision. An appeal of the Hearings Official’s decision may be submitted to the Lane County Circuit Court under ORC Chapter 34.

(12) Approval criteria

The applicant must provide evidence that for the duration of any assembly the following agency and departmental standards will be met.

(a) County Transportation Planning.

(i) Applicant shall provide a traffic management plan demonstrating how traffic will be managed and parking will be provided in accordance with the requirements of LC 3.995(12)(a)(i)(aa) – (jj).

(aa) Document anticipated number of vehicles attending assembly;

(bb) Document anticipated peak traffic times;

(cc) Provide adequate access routes to assembly site;

(dd) Provide adequate loading and unloading areas;

(ee) Provide adequate number of entries and exits;

(ff) Provide adequate traffic controls to warn and guide traffic around, past, and within the assembly site, and to minimize impacts on other road users;

(gg) Provide adequate emergency services access routes;

(hh) Provide adequate on-site circulation that safely and conveniently accommodates the movement of vehicles, pedestrians, and, where appropriate, public transportation services, throughout the assembly site and to and from assembly site;

(ii) Provide adequate measures and or notifications to minimize impacts on public transportation services; and

(jj) Provide adequate off-street parking:

(A) Provide parking space for one vehicle for every three persons expected or reasonably expected to attend assembly;

(B) Provide adequate ingress and egress from parking areas to facilitate the movement of any vehicle at any time to and from the parking area; and

(C) If buses are to be used to transport persons to the assembly, demonstrate parking is available at any site from which buses are scheduled to pick up persons for transport to assembly.

(b) County Public Health.
All temporary food vendors are subject to the Oregon Department of Human Services regulations that pertain to the operation of temporary restaurants and must be permitted through Lane County Environmental Health.

(i) An adequate supply of water meeting state drinking water standards for Chemicals and Bacteria must be available for the actual or reasonably anticipated number of persons present at the assembly site.

(ii) One or more gray water collection tanks of sufficient size must be onsite to accommodate disposal of all gray water generated by food vendors.

(iii) Applicants must provide a narrative describing how LC 3.995(12)(b)(iv)(aa)-(cc) will be met in accordance with the requirements of LC 3.995(12)(b)(iv)(dd), including:

(aa) Provision of adequate facilities to accommodate sewage disposal such as portable chemical toilet facilities or other approved sources.

(bb) Provisions for adequate hand washing stations.

(cc) Provision of adequate refuse storage and disposal facilities.

(dd) Based on the actual or reasonably anticipated number of persons present at the assembly site, the standards listed in Table I below must be met:

(c) Oregon Liquor Control Commission (OLCC).

(i) Applicant must demonstrate compliance with the OLCC regulations if alcohol service is proposed.

(d) Fire Protection Measures.

(i) Provision of adequate fire protection, emergency vehicle access, firefighting water supply, emergency medical personnel and facilities.

(ii) Provision of adequate wildfire protection, smoking areas, firefighting equipment, and supplies.

(e) Public Safety Measures.

(i) Applicant must submit a plan for public safety demonstrating that adequate traffic control and crowd protection policing have been contracted for or otherwise provided by the organizer.

(aa) The plan must provide one traffic control person for each 250 persons expected or reasonably expected to be in attendance at any time during the assembly.

### Table I

<table>
<thead>
<tr>
<th>Estimated number of Persons</th>
<th>Number of Required Toilets</th>
<th>Number of Required Trash Receptacles</th>
<th>Number of Required Hand Wash Stations</th>
</tr>
</thead>
<tbody>
<tr>
<td>1,000</td>
<td>10</td>
<td>10</td>
<td>4</td>
</tr>
<tr>
<td>Per additional 100 persons in attendance over 1,000</td>
<td>+1</td>
<td>+1</td>
<td>+.25 (i.e,: 1 additional station per 400 additional attendees over 1,000)</td>
</tr>
</tbody>
</table>
(bb) The plan must provide one crowd control person for each 100 persons, expected or reasonably expected to be in attendance at any time during the assembly.

(cc) The organizer shall submit the legal names, date of birth and necessary background information for all traffic-control and crowd-control personnel to be utilized during the assembly.

(dd) All such personnel must meet the following minimum standards in order to be approved as suitable:

(A) Be at least 21 years of age;
(B) Be in good physical health;
(C) Have training or experience acceptable to the Director to conduct traffic and or crowd-control duties.

(f) Miscellaneous.

(i) Lane Code Chapter 5.600 – Prohibited Noise.

(ii) Any other section of Lane Code as deemed applicable by the Director

(13) Contact, insurance, set-up and clean up requirements.

(a) The organizer must keep any license issued pursuant to this section and post a copy in a conspicuous place upon the premises of the assembly site. The posting must also include a description of the assembly, date, duration, on-site twenty-four hour contact information for the organizer with the authority to make decisions, and sheriff, fire control, public health and other appropriate agencies.

(b) At least one onsite organizer must have twenty-four hour radio frequency access to the Sheriff and all onsite security staff.

(c) All onsite activities required to prepare the assembly site must occur within 72 hours prior of the advertised time the assembly is scheduled to begin. The Planning Director may, upon a showing of necessity, allow preparation to begin more than 72 hours before the advertised time of the assembly but those activities are limited to set up only and not commercial vending, rehearsals or sound checks.

(d) The organizer must remove and repair all remaining residue, debris, temporary structures or damage to property resulting from the assembly 72 hours after termination of the assembly. If a request is made prior to the assembly, the Planning Director may, upon a showing of necessity, allow more than 72 hours to remove any temporary structures.

(14) Inspection requirements.

All approved assemblies are subject to inspections prior to, during and after the assembly by county officials and other public officials and agencies to ensure the assembly is in and maintains compliance with the requirements of applicable laws. The organizer and owner shall provide written consent allowing law enforcement, public health, fire control, and other appropriate public officers or officials to come onto the premises of the approved assembly.

(15) Enforcement

(a) It is the intention of this section 3.995 to put the burden of preserving order upon the organizer of the assembly. If an assembly is not being operated in accordance with the rules and regulations prescribed in this section, as set forth in state law, and as provided for in the license, the organizers and owners are subject to revocation of the license and other sanctions as the law and this section provides.
(b) The organizers shall keep a count of persons and vehicles entering and leaving the assembly. If at any time during an assembly held under a valid license the number of persons or vehicles attending the assembly exceeds the number of persons or vehicles estimated in the license application, the Sheriff, or any of his or her deputies, may require the organizer to limit further admissions until a sufficient number of individuals or vehicles have left the site to bring the actual attendance down to the number estimated by the organizer.

(c) The county may bring an action in any court of general or equitable jurisdiction to prevent, restrain or enjoin any violation of this section 3.995.

(d) For any assembly held under a valid license, the Sheriff has the authority to order the crowd to disperse and leave the assembly site if the organizer cannot maintain order and compliance with all applicable state or local laws and the Sheriff determines that there is an immediate threat to public health or safety.

(e) The county may file suit to either compel compliance with, or seek compensation for its own actions related to, the clean-up requirements in LC3.995(13)(d).

(f) If any organizer violates any provisions of this section 3.995 or any License issued hereunder, the Board of County Commissioners or Planning Director may immediately revoke any license for an assembly and may seek any legal remedy available.

(g) Upon sufficient and reasonable proof of offence the county may impose a fine of up to $10,000 on each individual organizer pursuant to Lane Manual 5.020(3).
