Eugene, Oregon 97401

AND: Ethan N. Noah
31822 Raisor Rd., Cottage Grove, OR 97424

IN CONSIDERATION OF the terms and conditions in this Contract, the parties agree as follows:

County is the legal Owner of the real property identified on Assessor's Map No. 22-03-17-00, Tax Lots 300 and 301 and more particularly described as follows (the "Property"):

See Attached Exhibit "A"

County agrees to sell to Purchaser, and Purchaser agrees to buy from County the Property for the price and on the terms and conditions set forth below:

SECTION 1. PURCHASE PRICE AND PAYMENT

1.1 Total Purchase Price. Purchaser promises to pay County as the total purchase price for the Property the sum of Eighteen thousand Seven Hundred and Fifty Dollars ($18,750.00)

1.2 Payment of Total Purchase Price. The total purchase price will be paid as follows:

1.2.1 Down Payment. On or before the Closing Date, as defined in Section 3.1, Purchaser will pay the sum of Four Thousand Dollars ($4,000) in immediately available funds as a down payment on the purchase price, paid in full upon execution of this document, receipt of which is hereby acknowledged.

1.2.2 Interest Rate and Scheduled Payment Dates. Interest on the remaining balance of Fourteen Thousand Seven Hundred and Fifty Dollars ($14,750) will accrue at the rate of Six and one-quarter percent (6.25%) per annum from the Closing Date.

The unpaid balance of the purchase price will be paid in eight (8) quarter year installments of One Thousand Nine Hundred Seventy Six Dollars ($1,976.00) each, including interest, with the first installment due on May 15, 2015, and with subsequent installments due on the Fifteenth (15th) day of each quarter year (August 15th, November 15th, February 15th, May 15th). Each payment will be applied first to interest due date, then to amounts past due to County under this contract other than principal or interest, and the balance to principal.

1.3 Place of Payments. All payments to County must be made to Lane County, Property Management, 3050 N. Delta Hwy., Eugene, OR 97408

1.4 Late Payments. A late payment fee of five percent (5%) of the delinquent amount of any late payment will be charged on payments received more than fifteen (15) days after the date due.

1.5 Prepayments. Purchaser may prepay all or any portion of the unpaid principal without penalty. All prepayments will be applied first to accrued but unpaid interest to date, then to amounts due County under this Contract other than principal or interest, then to the last installment of principal scheduled under this Contract, and will not excuse Purchaser from making the regular payments when due under this Contract until the remaining balance has been paid in full.

1.6 Payments to Third Parties. If Purchaser fails to pay when due any amounts required under this Contract to be paid to third parties by Purchaser, County may, but will not be obligated to, pay any or all such amounts directly to such third parties or otherwise to cure any such failure. If County makes any such payments, the amounts so paid will be immediately due and payable by Purchaser to County. Until paid, such amounts will be secured by this Contract and will be added to the principal balance due under this Contract and will bear interest at the Contract rate. County’s election to make any payments pursuant to
this Section 1.4 will not constitute a waiver of County's right to declare Purchaser to be in default of this Contract and to exercise any remedies described in Section 15.2.

SECTION 2. TAXES AND LIENS

All real and personal property taxes and all governmental or other assessments levied against the Property for the current tax year will accrue to Purchaser from the date of this Contract as stated above. Purchaser must pay when due all taxes and assessments that are levied against the Property, but Purchaser may elect to pay taxes and assessments in accordance with any available installment method. Unless a change is requested, all tax statements will be sent to Purchaser at the address stated above.

SECTION 3. POSSESSION

Purchaser is entitled to possession of the Property as of the date of this Contract as stated above; however, County's agents may enter on the Property at reasonable times on prior notice to Purchaser for the purpose of inspecting the Property. In no event will County or County's agent interfere with the rights of any tenant of all or part of the Property.

SECTION 4. MAINTENANCE, USE, AND PROTECTION OF THE PROPERTY

4.1 Maintenance. Purchaser may not commit or suffer any waste of the Property and will maintain the Property in good and safe condition and repair.

4.2 Compliance with Laws. Purchaser will promptly comply and will cause all other persons to comply with all laws, ordinances, regulations, directions, rules, and other requirements of all governmental authorities applicable to the use or occupancy of the Property, and in this connection, Purchaser will promptly make all required repairs, alterations, and additions.

4.3 Prohibited Activities. Purchaser will not use or suffer the use of all or any of the Property for any "nuisance" as defined in ORS 105.555, or so as to constitute an illegal drug manufacturing site as that term is defined in ORS 453.858(2), as those statutes may now or hereafter be amended, supplemented, or superseded, or otherwise do or allow any act or omission on or about the Property that could subject the Property or County's or Purchaser's interest in the Property to forfeiture or the risk of forfeiture.

4.4 Timber and Minerals. Purchaser will not cut or remove any timber or forest products, nor extract, process, mine, or otherwise exploit any oil, gas, mineral, or other valuable deposit on or under the Property.

4.5 Development. Purchaser may further develop the Property, subject to compliance with laws described in Section 4.2, and with the consent of County, which shall not be unreasonably withheld. County makes no warranties, expressed or implied, as to the ability to develop the property under current land use law, however County will cooperate with Purchaser in Purchaser's attempts to obtain necessary permits for development of the property. Any and all actions and costs necessary to develop the Property shall be borne by Purchaser. For actions that require the consent of the County as the Property's owner, such as permit applications or further subdivision or replatting of the Property, Purchaser must obtain such consent in writing, signed by the County Administrator or the Administrator's designee.

SECTION 5. INSURANCE

5.1 Property Insurance. Purchaser will procure and maintain policies of fire or all-risk insurance covering all improvements on the Property in an amount sufficient to avoid application of any coinsurance clause and with loss payable to County under a standard mortgagee's clause and Purchaser as their respective interests may appear. The policies must be primary with respect to all covered risks, and must be written in such form with such terms and by such insurance companies reasonably acceptable to County.

5.2 Liability Insurance. The insurance provided by Purchaser must include general liability insurance coverage with a combined single limit of not less than $500,000 per occurrence.

5.3 Certificates of Coverage. Purchaser must deliver to County certificates of coverage from each insurer containing a stipulation that coverage will not be canceled or diminished without a minimum of 10 days' written notice to County.

5.3.1 Insurance Coverage. Unless Purchaser provides County with evidence of the insurance coverage as required by this contract, County may purchase insurance at Purchaser's expense to protect County's interest. This insurance may, but need not, also protect Purchaser's interest. If the
property is damaged, the coverage County purchases may not pay any claim made by or against Purchaser. Purchaser may later cancel any coverage purchased by County by providing certificates of coverage showing coverage in the limits described in this Section. Purchaser is responsible for the cost of any insurance purchased by us under this subsection 5.3.1, and the cost of this insurance if may be added to the loan balance. If the cost is added to the loan balance, the interest rate on the underlying contract or loan will apply to this added amount.

5.4 Notice of Loss. In the event of loss, Purchaser will give immediate notice to County. County may make proof of loss if Purchaser fails to do so within 15 days of the casualty.

SECTION 6. PURCHASER'S INDEMNIFICATION OF COUNTY

Purchaser will indemnify and hold County, its Commissioners, officers, employees, and agents harmless from and against any and all claims, costs, expenses (including attorney fees), losses, damages, fines, charges, actions, or other liabilities of any description arising out of or in any way connected with (a) Purchaser’s possession, use, or conduct with respect to the Property, (b) any condition of the Property to the extent that the same arises from or after the date of this Contract and is not caused or contributed to by County, or (c) Purchaser’s breach of any warranty or representation made by Purchaser in this Contract.

SECTION 7. DEED AND TITLE INSURANCE

7.1 Deed. On payment of the total purchase price for the Property as provided in this Contract and Purchaser’s performance of all other terms, conditions, and provisions of this Contract, County will forthwith convey its interest solely by a Quitclaim Deed in the form attached as Exhibit A.

7.2 Title Insurance. County makes no warranties or guarantees, expressed or implied, as to the condition of title of the property subject to this agreement. Title insurance, if any, shall be purchased at Purchaser’s election and at Purchaser’s expense.

SECTION 8. DEFAULT

8.1 Events of Default. Time is of the essence of this Contract. A default will occur under any of the following circumstances:
   (a) Purchaser’s failure to make any payment when due.
   (b) Purchaser’s failure to perform any other obligations contained in this Contract within 14 days after notice from County specifying the nature of the default or, if the default cannot be cured within 14 days, failure within such time to commence and pursue curative action with reasonable diligence.
   (c) Purchaser’s making fraudulent transfer or conveyance under applicable federal or state law, concealment of any of its property from creditors, making a preference within the meaning of the federal bankruptcy law, or the imposition of a lien through legal proceedings or distraint on the Property.

8.2 Remedies of Default. In the event of a default, County may take any one or more of the following steps:
   (a) County may declare the entire balance of the purchase price and interest immediately due and payable.
   (b) County may foreclose this Contract by suit in equity.
   (c) County may specifically enforce the terms of this Contract by suit in equity.
   (d) With respect to any part of the Property that constitutes personal property in which County has a security interest, County may exercise the rights and remedies of a secured party as provided by the Uniform Commercial Code.
   (e) After complying with the notice requirements and affording Purchaser the right to cure the default contained in ORS 93.905–93.945, as the same may be amended or superseded from time to time, as long as the same is applicable, County may declare this Contract forfeited and retain the amount of the payments previously made under this Contract. On recordation of the affidavit required by Oregon law, this Contract will be extinguished and canceled, and Purchaser will have no further right, title, or interest in and to the real property or to any return or compensation for payments previously made under this Contract, as though this Contract and such payments had never been made. In that event, Purchaser agrees to surrender the Property to County. If Purchaser fails to do so, County may elect to treat Purchaser as a tenant holding over unlawfully after the expiration of
a lease, and Purchaser may be ousted and removed as such, without affecting County's right to pursue other rights and remedies contained in this Contract or permitted by law.

8.3 Remedies Not Exclusive. The remedies provided above are nonexclusive and in addition to any other remedies provided by law.

SECTION 9. MISCELLANEOUS PROVISIONS

9.1 Waiver. The failure of either party at any time to require performance of any provision of this Contract will not limit the party's right to enforce the provision, nor will any waiver of any breach of any provision constitute a waiver of any succeeding breach of that provision or a waiver of that provision itself.

9.2 Successor Interests. This Contract is binding on and inures to the benefit of the parties, their successors, and assigns; but no interest of Purchaser may be assigned, subcontracted, or otherwise transferred, voluntarily or involuntarily, without the prior written consent of County.

9.3 Merger. This document is the entire, final, and complete agreement of the parties pertaining to the sale and purchase of the Property, and supersedes and replaces all prior or existing written and oral agreements between the parties or their representatives relating to the Property.

9.4 Notice. Any notice under this Contract must be in writing and will be effective when actually delivered in person or deposited in the U.S. mail, registered or certified, postage prepaid and addressed to the party at the address stated in this Contract or such other address as either party may designate by written notice to the other.

9.5 Choice of Law and Venue. This Contract shall be governed by, and construed in accordance with, the laws of the State of Oregon. Venue for all disputes and litigation will be in Lane County, Oregon.

9.6 Survival of Covenants. Any covenants the full performance of which is not required before the closing or final payment of the purchase price and delivery of the deed will survive the closing and the final payment of the purchase price and the delivery of the deed and be fully enforceable thereafter in accordance with their terms.
