Notification of Determination of Amount of Special Benefit Deposit in Connection with a Proposed Release of a reserve strip Pursuant to Lane Manual 60.854(8)(c)

Pursuant to the provisions of Lane Manual 60.854(8)(c), my determination of the amount of "Special Benefit" and therefore the amount of deposit required in connection with the proposed release of a reserve strip known as Lot D of Hollyview Estates, as platted and recorded on page 13, volume 31, Lane County Plat Records, is $0.00.

My determination is based on a Staff Report and recommendation, a copy of which is attached hereto and marked as "Attachment 1".

Dated this 8th day of June, 2015.

STAFF REPORT

Recommendation in the Matter of Determination of Special Benefit in Connection with a Proposed Release of a reserve strip Pursuant to Lane Manual 60.854(8)(c)

Date: May 26, 2015

Applicant: Future B Homes, Inc.

Proposed Release and Road Dedication:
The proposed release of a reserve strip is described as Lot D of Hollyview Estates, as platted and recorded on page 13, volume 31, Lane County Plat Records. The Parcel is paved, flat, and measures 1 foot by 50 feet. It is held by Lane County in trust for the benefit of the Public for road purposes in Bargain and Sales Deed recorded on Reel 167-61-D, Clerk's Filing No: 23702, on February 20, 1961.

Tax Lots Adjacent to Proposed Release:
Tax Lots that are adjacent and share the same boundary are Map #17-04-11-11, Tax Lots 3600 and 3800.

Nature of Benefit to be Received if Proposed Release is Approved:
Upon the release of the reserve strip, it will be dedicated as a public road and opened for public travel. These actions will result in legal access from a public street to Wedgewood Meadows, a new subdivision to the south of Hollyview Estates.

Value Indication(s) of Properties to be Benefited:
Recent sales of residential land in the River Road and Santa Clara area of Eugene indicate a site value of between $40,000 and $60,000. Lots adjacent to the subject are 10,454 and 10,890 square feet each. Thus, the high and low per square foot value is between $3.67 and $5.74.

Summary and Recommendation of Special Benefit:
The purpose of this reserve strip is to control access to the public street by placing it under the trust of the County. It was conveyed to Lane County with no consideration paid to the owner. Typically, the owner bears all the cost of construction and passes the cost to the buyers of each sold lot.

Pursuant to Lane Manual 60.853, a special benefit must be determined. Based on “across the fence” estimation of value and under the highest and best use premise of adjacent land, the “special benefit” to the adjacent property is estimated at a high end of $287 (50 SF X$5.74/SF = $287).

As the value added is less than the $2,500 de minimus value required by Lane Manual 60.854(8)(c), the appraiser concludes that a payment for Special Benefit is not warranted for this release.
