1. Negotiate, execute and deliver one or more Financing Agreements (the "Financing Agreements") for the refunding which obligate the County to repay the financed amounts, with interest. The Financing Agreements shall constitute bonded indebtedness and be subject to the limits of ORS 287A.105. The obligation of the County to make financing payments under the Financing Agreements shall be unconditional. Pursuant to ORS 287A.315, the County Official may pledge the County’s full faith and credit and taxing power within the limitations of Sections 11 and 11b of Article XI of the Oregon Constitution, and may agree to pay the Financing Agreements from any and all of the County’s legally available funds. Subject to the limitations of this Order, the Financing Agreements may be in such form and contain such terms as the County Official may approve, including covenants for the benefit of the lenders or credit enhancement providers.

2. Negotiate, execute and deliver one or more escrow agreements or similar documents (the “Escrow Agreements”) which provide for the issuance of one or more series of “certificates of participation” or “full faith and credit obligations” (the “Obligations”) which represent ownership interests in the financing payments due from the County under the Financing Agreements. Subject to the limitations of this Order, the Escrow Agreements and each series of Obligations may be in such form and contain such terms as the County Official may approve, including covenants for the benefit of the lenders or credit enhancement providers.

3. Determine whether the interest payable on each Financing Agreement will be includable in gross income or excludable from gross income under the Internal Revenue Code of 1986, as amended (the “Code”).

4. Designate the Financing Agreements and Obligations as “qualified tax-exempt obligations” under Section 265(b) of the Code, if applicable.

5. Covenant for the benefit of the owners of tax-exempt obligations to comply with all provisions of the Code which are required for the interest component of financing payments payable under the related Financing Agreements to be excluded from gross income for federal income tax purposes.

6. Deem final and authorize the distribution of a preliminary official statement for each series of Obligations, authorize the preparation and distribution of a final official statement or other disclosure document for each series of Obligations, and enter into agreements to provide continuing disclosure for owners of each series of Obligations.

7. Apply for and purchase ratings, municipal bond insurance, or other forms of credit enhancements for the Financing Agreements and Obligations, and enter into related agreements, as necessary.

8. Enter into additional covenants for the benefit of the purchasers of the Financing Agreements and Obligations which the County Official determines are desirable to sell the Financing Agreements and Obligations on favorable terms.

9. Engage the services of verification agents, escrow agents, paying agents and any other professionals whose services are desirable for the financings.

10. Enter into one or more escrow deposit agreements for the refunding and take actions to call, defease and redeem all or any portion of the outstanding Refundable Obligations.
11. Contribute legally available funds of the County towards the refunding.

12. Subject to this Order, determine the final principal amount of each Financing Agreement, the interest rate or rates which each Financing Agreement and each series of Obligations shall bear, and the County’s prepayment rights and other terms of each Financing Agreement and each series of Obligations.

13. Solicit competitive bids for the purchase of each series of the Obligations and award their sale to the bidder offering the most favorable terms to the County, select one or more underwriters, negotiate the terms of the sale of each series of Obligations, and sell that series to those underwriters; or select one or more commercial banks, negotiate the terms of the sale of each Financing Agreement and sell each Financing Agreement to those commercial banks.

14. Prepare and submit an advanced refunding plan to the Oregon State Treasurer’s office for the refunding of the Refundable Obligations.

15. Execute and deliver any other certificates or documents and take any other actions which the County Official determines desirable to accomplish the refunding with the Financing Agreements and the Obligations in accordance with this Order.
