DECLARATION OF ACCESS EASEMENT

RECITALS

A. Declarant is Lane County, a political subdivision of the State of Oregon (“County”). County is the owner of two parcels of real property described in the attached Exhibit A and Exhibit B in Lane County, Oregon. The real property described in Exhibit A is referred to herein as “Parcel A.” The real property described in Exhibit B is referred to as “Parcel B.” County, as fee owner of Parcel A and together with its successors and assigns, is referred to herein as the "Parcel A Owner." County, as fee owner of Parcel B and together with its successors and assigns, is referred to herein as the "Parcel B Owner."

B. County, as Parcel B owner, intends to enter into a ground lease (the “Ground Lease”) with MD Commons, LLC, an Oregon limited liability company (the “LLC”), an affiliate of the Housing and Community Services Agency of Lane County doing business as Homes for Good Housing Agency (the “Agency”) pursuant to which the LLC will obtain a leasehold interest in Parcel B.

C. The LLC will thereafter develop a 5-story building with approximately 48,045 square feet which will contain approximately 50 units of affordable housing with related facilities and, at the ground floor, approximately 6,871 square feet of commercial space (the “Project”).

D. County, as Parcel A Owner, wishes to (a) establish, for the benefit of Parcel B, an easement over a portion of Parcel A as described in the attached Exhibit C and shown on the attached Exhibit D (the “Easement Area”), to provide access to and from parking and other improvements related to the Project on Parcel B and the adjacent rights of way; and (b) assign maintenance obligations with regard to the Easement Area to Parcel B Owner.

DECLARATION OF EASEMENT

1. CREATION

By this Declaration of Access Easement, County, as Parcel A Owner, hereby declares for the benefit of Parcel B an easement for access (the “Access Easement”) across
and over the Easement Area, which Access Easement includes vehicular and pedestrian access rights across and over any related walkways and parking areas for the purpose of providing vehicular ingress and egress to and from Oak Street and Oak Alley in Eugene, Oregon to the parking area shown in Exhibit D.

2. PERPETUAL DURATION, EXCLUSIVE EASEMENT, RUNS WITH THE LAND

The Access Easement hereby created shall be exclusive, perpetual, shall attach to and run with the land affected herein and bind the Parcel A Owner and the Parcel B Owner, and their respective heirs, successors, and assigns, tenants, and all other persons claiming under any of them. So long as the Ground Lease is entered into and remains outstanding, the Access Easement shall not merge into but shall always be kept separate and distinct from Parcel A for the benefit of Parcel B, notwithstanding the common ownership of Parcel A, Parcel B and the Access Easement by County.

3. MAINTENANCE

The Parcel B Owner shall be responsible for the perpetual maintenance of the Easement Area and shall maintain the Easement Area in suitable condition for the use of the Project in the discretion of the Parcel B Owner which shall include:

a. The removal of debris, leaves, ice and snow;
b. The removal of trash or other unsightly or dangerous materials; and
c. The periodic paving.

4. INDEMNIFICATION

Parcel B Owner shall hold harmless defend and indemnify the County and County’s officers, agents and employees against all claims, demands, actions and suits, including attorney’s fees and costs brought against any of them arising out of the failure to properly design, locate, construct or maintain the Easement which is subject to this Declaration.

5. NOTICE

Any notice, demand, or report required under this Declaration shall be sent to each of Parcel A Owner and Parcel B Owner in care of the street address of its parcel. Any required notice or demand shall be made by hand delivery or certified mail and shall be deemed received on actual receipt or 48 hours after being mailed, whichever first occurs.

6. DEFAULT AND REMEDIES

In the event of any violation or threatened violation of any of the agreements provided herein, it is acknowledged that the non-defaulting party will suffer damage which would be irreparable and not fully compensable by damage recovery. Consequently, the non-defaulting party shall have, in addition to the right to collect damages and other rights and remedies as provided herein and by law, the right to enjoin such violation or threatened violation in a court of competent jurisdiction. In no event shall this Access Easement be terminated, it being the intention that the
sole remedies available for any default by the Parcel B Owner be limited to damages or the right of specific performance.

7. **OREGON LAW AND FORUM**

   The Declaration shall be construed according to the laws of the State of Oregon even if Oregon’s choice of law rules otherwise would require application of the law of a different jurisdiction. Any litigation arising under or regarding this Declaration shall occur, if in the state courts, in the Lane County Court having jurisdiction thereof, and if in the federal courts, in the United States District Court for the District of Oregon.
