POVERTY and HOMELESSNESS BOARD PURPOSE

The Poverty and Homelessness Board (PHB) meets both the requirements of the HUD Continuum of Care Board and the Community Action Agency. The PHB Governance Charter and organizational structure is required for all funds governed by the Continuum of Care title IV McKinney-Vento Homeless Assistance Act 42 U.S.C. 11301 and the Continuum of Care Program Interim Rule. The PHB Governance Charter and organizational structure is also required for all funds governed by Community Action Agencies, Chapter 319yy, Section 17b-885 and Sec. 17b-887.

Through a public process and Continuum of Care member participation, it was determined that Lane County be designated as the Continuum of Care (CoC) to serve as the Collaborative Applicant to operate the Continuum of Care. Lane County was also designated an Administrator of the Homeless Management Information System (HMIS) to review and approve privacy, security, and data quality plans, policies and procedures, and performance measures for the Human Services Management Information System (HMIS).

HMIS ServicePoint enhances Service Provider collaboration, service delivery, and data collection capabilities. The mission of ServicePoint HMIS Project is to be an integrated network of homeless, prevention and other service providers that use a central database to collect, track and report uniform information on client needs and services. The HMIS lead agency ensures that it administers HMIS in compliance with HUD requirements.

HMIS documents the demographics of people experiencing homelessness, at-risk of homelessness, and poverty in Lane County according to the HUD HMIS Data Standards. It is then the goal of the project to identify patterns in the utilization of assistance, and document the effectiveness of the services for the client. This will be accomplished through analysis of data that is gathered from the actual experiences of persons who are homeless or at-risk of homelessness and the service providers who assist them in shelters, homeless assistance programs, prevention programs, and basic needs services throughout the County.

The PHB shall serve the geographic area of the Eugene/Springfield/Lane County, Oregon to:

- Promote community-wide commitment to the goal of ending homelessness and assisting low-income individuals to meet their basic needs and achieve self-sufficiency.
- Promote access to and effective use of mainstream programs.
- Plan systematically for and evaluate programs, including actions to develop information as to the problems
and causes of homelessness and poverty in the community, to determine how much and how effectively assistance is being provided to deal with those problems and causes, and to establish priorities among projects, activities, and areas as needed for the best and most efficient use of resources.
