LESS: Any portion within public right-of-way.
1. The annexation of territory to the Goshen Rural Fire Protection District was initiated on February 14, 2020 by a petition by all of the property owners of the proposed territory to be annexed, as authorized by ORS 198.855(3).

2. The application for annexation, map, and legal description indicate that the territory proposed for annexation is Assessor’s Map and Tax Lot numbers: 18-03-16-10-02500, 02300, 02100, 02000, 01900, 01800 and 01700; 18-03-16-00-00100; 18-03-15-00-00400, 00200, 00201, 00202, 00205, 00300, 00302, 00303 and 00304.

3. Legal notice was made on August 3, 2020 and August 13, 2020 for the initial public hearing on August 18, 2020.

4. The first public hearing required by ORS 198.800 was held on August 18, 2020.

5. The final public hearing to consider whether an election is necessary as required by ORS 198.810(3) is scheduled to be held on August 25, 2020.

6. The decision criteria analysis considered by the Board of County Commissioners follows.

(A) **The land is not within a district formed under the same principal Act; (ORS 198.720(2))**

Finding 1: The proposal meets this criterion. The property proposed for annexation to the Goshen RFPD is not located within any other Fire District boundaries. The properties included in this proposal, identified as Assessors Map and Tax Lot 18-03-15-00-00302, 00303 and 00304 and a portion of Tax Lot 00300, are already located within the boundaries of the Goshen RFPD. As this is the same district that the proposal requests annexation to, staff find the criterion satisfied.

(B) **The affected territory can reasonably be served or continued to be served by the facilities or services provided by the district; and (ORS 198.720(3))**

Finding 2: The proposal meets this criterion. The Board of Directors for the Goshen RFPD verified in Resolution No. 5-19 (November 12, 2019) that the properties can be served by the Fire District.

(C) **No land included in the affected territory will be removed if the land is benefited; (ORS 198.805(1))**

Finding 3: The proposal meets this criterion. As proposed, no land in the annexation area will be removed if the land is benefited.

(D) **The boundary change is consistent with the Lane County Rural Comprehensive Plan, other applicable refinement plans, and other adopted land use regulations or agreements. (ORS 198.850(2))**

Finding 4: The proposal meets this criterion. The annexation proposal is not subject to the Rural Comprehensive Plan (RCP), but instead is governed by the Metro Plan. In regards to Forest Lands, the Metro Plan establishes Goal 4, Policy C.7, subsection o.,
which requires that Forest Lands be zoned Non-impacted Forest Land (F-1/RCP) or Impacted Forest Land (F-2/RCP). The proposed annexation area includes both of these forest zonings. Policy C.7 further requires that F-1 lands not be developed with residences or non-forest uses. The F-1 lands that are the subject of this proposal is a portion of Assessors Map and Tax Lot 18-03-15-00-00300. No residential uses exist or are proposed on the F-1 zoned portion of this property. Policy C.7 requires that F-2 zoned lands are “provided with a level of public facilities and services, and roads intended primarily for direct services to rural residences.” Staff analysis of the annexation area indicates that seven tax lots included in the proposal have conditional approval for residential dwellings, which will require fire protection upon final approval. No residential development is approved or proposed on the portion of the annexation area zoned Natural Resource (NR). Therefore, staff find that the proposal is consistent with the Metro Plan policies and corresponding land use regulations. No other refinement plans, adopted land use regulations or agreements have been identified that conflict with this proposal.
