In the Matter of Appointing One Member to the Mental Health Advisory/Local Alcohol and Drug Planning Committee.

The Mental Health Advisory/Local Alcohol and Drug Planning Committee (MHA/LADPC) is a body that is mandated by state rule to be appointed by the Board of County Commissioners (BCC). The role of the MHA/LADPC is to advise the BCC in identifying needs and establishing priorities for addiction treatment services; to determine the need for local mental health services and adopt a comprehensive local plan for the delivery of mental health services; as well as to advise the local mental health authority and community mental health and developmental disability program director on community needs and priorities for services.
There is one position on this committee that must be filled and the committee is recommending appointment of one new member and one continuing member.

Vacancy notices were advertised November 21, 2022 through December 22, 2022 and one application was received. The MHA/LADPC convened a subcommittee and conducted interviews of the applicant, and recommended appointment at their January 18th meeting.

The MHA/LADPC is a state-mandated committee with requirements specific to the individuals who may populate the membership. Therefore, the Lane Manual requirement regarding commissioner appointments does not apply (this was verified with Legal Counsel) and all positions are community at-large. Therefore, the MHA/LADPC recommends the individual listed below for appointment.
