Pat Farr, Chair
Lane County Board of Commissioners
BEFORE THE BOARD OF COUNTY COMMISSIONERS OF LANE COUNTY, OREGON.

IN THE MATTER OF THE VACATION OF A PORTION OF E.L. BERKSHIRE ROAD, COUNTY ROAD NO. 776, LOCATED IN SECTIONS 14, 15, 22, AND 23, TOWNSHIP 16 SOUTH, RANGE 9 WEST OF THE WILLAMETTE MERIDIAN, IN LANE COUNTY, OREGON. (16-09-14, 15, 22, 23)

PETITION TO VACATE

Pursuant to the procedures set forth in ORS Chapter 368, we the undersigned Mark Casey McLaughlin, owner and co-trustee of the McLaughlin Family Trust, Robin Sue McLaughlin, co-trustee of the McLaughlin Family Trust, and Robert Sanchez, Forest Supervisor for the Siuslaw National Forest, as owners of the adjacent real property, hereby petition for the vacation of a portion of County Road No. 776, which area to be vacated is described as follows:

All that portion of the E.L. Berkshire Road (County Road No. 776), commonly known as Alexander Road, beginning at the North line of the Southwest one-quarter of Section 23, Township 16 South, Range 9 West of the Willamette Meridian; thence Northerly and Northwesterly through Sections 23, 22, 14, and 15, ending at the North line of said Section 15, said ending point also being the end of County Road No. 776, all in Lane County, Oregon.

WHEREAS, the undersigning petitioners are the owners of 100% of all the real property adjacent to the above described area to be vacated; and

WHEREAS, the petitioners allege as follows:

1. The purpose of this vacation request is to eliminate County Road maintenance expense beyond the existing gate and return to County tax roll and reduce trespassing and poaching via County Road. Only two private parcels are served by the County Road, which are both owned by Mark Casey McLaughlin. At least 50% of the road is unable to be traveled on and has not been maintained for close to 30 years. There are multiple creek crossings that are unable to be crossed in current condition. After 10 years of ownership, we have had no traffic beyond the existing locked gate other than the occasional poacher that ends up trespassing on our property due to the fact that the road right of way location is uncertain in most places.

2. There are internet, Phone, and electric utilities located in the area to be vacated. Necessary easements for all existing public and private utilities will be retained or otherwise be provided for in conjunction with the vacation; and

WHEREAS, no portion of the area to be vacated is located within the boundaries of an incorporated city or town; and

WHEREAS, public interest will be served by removing financial burden of maintaining 3/4 miles of road behind a locked gate that only serves as a private driveway for the last 30 years, and will and land to County tax roll; and
WHEREAS, petitioners, separately and collectively, acknowledge that the filing fee is a deposit and an estimate of the vacation fee, and that we accept responsibility for full payment of Lane County Surveyor’s Office and Deeds & Records fees, regardless of whether this vacation is approved or denied; and

WHEREAS, petitioners, separately and collectively, have no objection to Lane County proceeding under the authority of ORS Chapter 368.326, for vacation with or without a public hearing; and

THEREFORE, the petitioners request the Board of Commissioners of Lane County:

1. To set a date to consider the vacation of the above described portion of road, with or without a public hearing pursuant to ORS Chapter 368.
2. Upon review of this matter, to order the vacation of the above described road, and direct that title to the vacated area revert and vest in accordance with ORS 368.366.

DIRECTOR'S REPORT

IN THE MATTER OF THE VACATION OF A PORTION
OF ALEXANDER ROAD (E.L. BERKSHIRE ROAD,
COUNTY ROAD NO. 776), LOCATED IN SECTIONS
14, 15, 22, AND 23, TOWNSHIP 16 SOUTH, RANGE 9
WEST OF THE WILLAMETTE MERIDIAN, IN LANE
COUNTY, OREGON, WITHOUT A PUBLIC HEARING.
(16-09-14, 15, 22, 23)

The Surveyor's Office of the Department of Public Works has received a valid petition signed by
Mark Casey McLaughlin, signing as a landowner and as co-trustee of the McLaughlin Family
Trust, Robin Sue McLaughlin, co-trustee of the McLaughlin Family Trust, and Robert Sanchez,
Forest Supervisor for the Siuslaw National Forest, representing 100% ownership of the
properties abutting the County Road herein proposed to be vacated, by the authority of ORS
368.351, a vacation without a public hearing.

The petitioners wish to vacate Alexander Road beginning at the southerly property line of their
property identified as map and taxlot number 16-09-23-00-00100 and ending at the north line of
Section 15, Township 16 South, Range 9 West of the Willamette Meridian.

Alexander Road, County Road No. 776, is located in western Lane County near the community
of Deadwood in Sections 14, 15, 22 and 23, Township 16 South, Range 9 West of the
Willamette Meridian. The road was established as the E.L. Berkshire Road by petition on
May 1, 1915 with a 60-foot right of way width.

According to TransMap, the road is classified as rural local with a graveled surface averaging
less than 20 feet in width. There is currently a locked gate approximately 100 feet from its
intersection with West Fork Road. The County currently maintains the road past the gate to
milepost 0.54, which is the end of County maintenance. Beyond milepost 0.54, the road is
unimproved and location of the right of way is undeterminable without the benefit of a survey.
There are no bridges or railroad crossings identified in the subject area. The unimproved right
of way of the County Road continues in a north and northwesterly direction through Siuslaw
National Forest land ending at the south line of Section 15, Township 16 South, Range 9 West of the
Willamette Meridian. The total length of the proposed vacated road is approximately 2.4
miles in length. Petitioners Mark and Casey McLaughlin own tracts of land at the southerly and
northerly ends of the road as proposed to be vacated, with the area in between being owned by
the Siuslaw National Forest. As mentioned previously, Siuslaw National Forest Supervisor
Robert Sanchez is a party to this petition and signed the Petition to Vacate on behalf of the
Forest Service.

The petitioners state the purpose of the vacation is to mitigate trespassing and poaching along
the County Road. The current end of County maintenance terminates within property in private
ownership. The road serves two private parcels, and the petitioners state the road has not
been routinely maintained, and estimate it has not been maintained for close to 30 years.
Conversations with Road Maintenance Division Staff reveal that the petitioner's statement is not
quite accurate. There is limited maintenance activities along the road that mostly comprises of
vegetation mitigation on a yearly basis, and ditching and grading activities typically performed
on a 2-year cycle.
Beyond the locked gate, there is virtually no traffic other than the landowners, and the occasional poacher that ends up trespassing on private property, due to the uncertain location of the public right of way beyond the end of County maintenance.

The public road easement herein proposed to be vacated lies entirely outside of any boundary of an incorporated city or town.

ORS 368.331 states, "A county governing body shall not vacate public lands under ORS 368.326 to 368.366 if the vacation would deprive an owner of a recorded property right of access necessary for the exercise of that property right unless the county governing body has the consent of the owner." No landowner will lose legal access by approval of this action.

Blachly Lane Electric Co-Op and CenturyLink were sent referrals seeking comment on this proposed vacation. Blachly Lane responded with a request to retain a public utility easement for the purpose of operating and maintaining their facilities.

Staff from various Lane County Divisions including Transportation Planning, Land Management, Road Maintenance, and Engineering & Construction Services were provided an opportunity to comment on this action. None of the above-mentioned Lane County Divisions has objected to this action.

Referrals were sent to area landowners and agencies seeking comment regarding this proposal, including Swisshome-Deadwood Rural Fire Protection District, Lane Council of Governments, Lane ESD, Mapleton School District, Oregon Department of Fish and Wildlife, and Western Lane Ambulance. None of the above-mentioned landowners, agencies and providers have objected to this action.

In summary, it has been determined that Alexander Road as described in the Order and depicted on Exhibit "C," is not needed by the Lane County Transportation System. It has also been concluded the vacation of this road is in the public's best interest, as vacating this road will return unused public right of way back to private ownership, adding a marginal portion of land to the County tax rolls; and have no adverse effects on transportation patterns or recreational activities in the area. It is further recommended the vacation be allowed without a public hearing and a public utility easement be retained for all public utilities that exist within the right of way to be vacated.

DATED this ______ day of ______________, 2023.
