Pat Farr, Chair
Lane County Board of Commissioners
DECLARATION OF EASEMENT

This Easement is executed by Lane County, a political subdivision of the State of Oregon ("Grantor") and Wesley H. and Tammy G. Iddings ("Grantee").

Recitals

A. Grantor owns fee title to the parcel of land described in Exhibit A (the "Grantor Tract"). Grantee owns fee title to an adjoining tract of land described in Exhibit B (the "Grantee Tract").

B. An earlier easement for access to the Grantee Tract over the Grantor Tract was recorded October 3, 2011 (Lane County Clerk’s Deeds & Records Office, recording number 2011-045394), as amended October 11, 2011 (Lane County Clerk’s Deeds & Records Office, recording number 2011-045953) (collectively, the "2011 Documents").

C. The 2011 Documents describe a 30 foot wide access way running east-west along an existing gravel roadway from the west boundary of the Grantor Tract to a point south and east of the southwest corner of the Grantee Tract, then continuing north to the Grantee Tract.

D. The 2011 Documents were executed and recorded at a time when both the Grantor Tract and the Grantee Tract were in common ownership of McDougal Bros. Investments.

E. The purpose of this Easement is to terminate any right or interest that may have been conveyed in the 2011 Documents, to establish maintenance and modification rights and obligations, and to grant an easement for access over the Grantor Tract to the Grantee Tract, as set forth herein.

Grant

Therefore, in consideration of the premises herein and other valuable consideration, the receipt and sufficiency of which are acknowledged, Grantor and Grantee agree as follows:

1. **Grant of Easement.** Grantor grants to Grantee a perpetual, private, nonexclusive easement (the "Easement") on the Grantor Tract along the existing gravel roadway from the west boundary of the Grantor Tract to a point southwest of the southeast corner of the Grantee Tract, 30 foot in width, then continuing north to the Grantee Tract, in the approximate alignment described in Exhibit C (the "Easement Area").

2. **Use.** The Easement may be used for ingress and egress purposes only by Grantee, its successors in ownership of the Grantee Tract, and the contractors, invitees, agents, and employees of Grantee, such use to be in common with use of the Easement Area by Grantor and its invitees, agents, contractors, employees, successors, and assigns, for so long as the Grantee Tract is used for a single-family dwelling and remains in separate ownership from the property.
west of the Grantee Tract identified on the Lane County Assessor’s map as tax lot 18-06-01-00-02505. In conjunction with such use, Grantor, at its cost, may construct, reconstruct, maintain, and repair the existing road thereon as well as any new roads in the new Easement Area. No permanent above-ground structures or buildings may be installed in the Easement Area by either Grantor or Grantee, other than surfacing, signage, or fences.

3. **Term.** The term of the Easement commences upon the date of recording the Easement and will continue in full force and effect for so long as Grantee continues to use the Easement for the purposes and as provided in section 1, above.

4. **Nature of Easement.** The Easement granted herein will be appurtenant to, and for the benefit of, the Grantee Tract. Any conveyance of fee title to the Grantee Tract will include a conveyance of the Easement, regardless of whether the Easement is specifically identified in the instrument of conveyance.

5. **Maintenance.** Either Grantor or Grantee may cause the Easement right of way or any portion thereof to be maintained or repaired, and the party causing such maintenance or repair will be solely responsible for the work. Grantee will, at its sole cost and expense, repair any damage to the Easement Area caused by Grantee or its contractors, invitees, agents, and employees. Should Grantee fail to commence correction of any deficiency in its compliance with such repair obligation (an “Uncured Deficiency”) prior to the expiration of 30 days after the effective date of notice of such Uncured Deficiency from Grantor, then Grantor, at its option (without any obligation to do so), may correct the Uncured Deficiency for the account of Grantee, who will reimburse Grantor for all expenses incurred by Grantor in curing such default, together with interest thereon at the rate of six percent per annum from the date expended until the date reimbursed to Grantor. Grantor will have no obligation to maintain or repair the Easement Area, and Grantee and any parties claiming by, through, or under Grantee will be deemed to have elected to use the Easement at their sole risk.

6. **No Dedication.** Nothing contained herein will be deemed to be a gift or dedication of any portion of the Easement Area to the general public, for the general public, or for any public use or purpose whatsoever.

7. **Modification.** Grantor reserves the exclusive right to modify the alignment of the Easement Area as necessary to accommodate Grantor’s use of the Grantor Tract for public access and services, provided a method of access to Bolton Hill Road is maintained. Grantor may not otherwise reduce the width of the access or significantly steepen or reduce the usability of the Easement for the uses set forth herein.

8. **Indemnity; Attorney Fees.** Grantee will indemnify and hold Grantor harmless from and against all claims, damages, losses, causes of action, costs, and expenses (including, without limitation, attorney fees), which may be asserted against or incurred by Grantor as a result of any act or omission of Grantee or its agents, contractors, employees, tenants, or invitees related to the use of the Easement Area. In the event of any litigation or other proceedings brought to enforce or interpret this Easement, the prevailing party in such proceedings will be entitled to recover from the other party the reasonable attorney fees and other costs incurred by the prevailing party in the proceedings or any appeal therefrom.
9. **Successors.** This Easement will be binding on, and inure to the benefit of, the owners of the Grantor Tract and the Grantee Tract and their respective heirs, successors, and assigns.

10. **Notices.** Any notice required or permitted by this Easement must be in writing and given by delivering the same in person to the recipient or by sending the same by registered or certified mail, return receipt requested, with postage prepaid, to the address of the Grantor Tract or Grantee Tract, as applicable, as shown on the current records of the tax assessor for Lane County, Oregon, with respect to the Tract in question.

11. **Termination of Recorded Easement Documents.** By execution of this Easement, Grantor and Grantee hereby terminate any rights or interests that may have been granted by the easement documents and amendments recorded October 3, 2011 (Lane County Clerk’s Deeds & Records Office, recording number 2011-045394) and October 11, 2011 (Lane County Clerk’s Deeds & Records Office, recording number 2011-045953).
