**Final Ballot Title**
The following is the final ballot title of the measure to be submitted to the district’s voters. The ballot title notice has been published and the ballot title challenge process has been completed.

"Shall the District renew a tax of $0.47 per $1000.00 of assessed value for operations for five years beginning 2024-2025?" This measure renews current local option taxes.

**Summary**
River Road Park & Recreation District would use the tax revenue from this measure to maintain current programming and staff levels. In 2008, the City of Eugene eliminated all reimbursement revenues of annexed properties. In addition, collected tax revenue has also declined while utilities and other expenses have continued to increase. Without additional tax revenue, the District would be forced to reduce and/or eliminate program offerings, reduce operating hours, reduced maintenance of the park and eliminate both part-time and full-time staff. The local option tax would be $0.47 per $1,000 of assessed property value per year. Based on the average current assessed value of a home of $188,000, a homeowner would pay approximately $7.36 per month for the first year of the levy and approximately $8.28 per month for the final year of the levy. The proposed rate would raise approximately $284,048 in 2024-2025, $292,569 in 2025-2026, $301,347 in 2026-2027, $310,387 in 2027-2028, and $319,699 in 2028-2029 for a total of $1,508,050 over five (5) years. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
