Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:
- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2022 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user’s application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition. For more information see FY 2022 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2022 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2021 Project Application will be imported into the FY 2022 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2022 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2022 renewal project application. The “Submit without Changes” process is not applicable for:
- first time renewing project applications
- a project application that did not import last FY 2021 information
- a project that had Issues or Conditions that were addressed in FY 2021 Post-Award and updates need to be reflected in the FY 2022 project application
- a project that had amendments approved in FY 2020 or FY 2021 that need to be reflected in the FY 2022 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:
- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2022 CoC Competition.
1. Are the requested renewal funds reduced from the previous award due to reallocation? Yes

2. Do you wish to submit this application without making changes? Please refer to the guidelines below to inform you of the requirements.

The applicant has either selected "Yes" to Question #1, has not brought forward details from a previously awarded renewal project application, or has manually selected "Make Changes" to question #2 and has checked a checkbox. The applicant must therefore make changes to the application information. If this is not a first time renewal and the applicant would like to bring forward information from a previously awarded renewal project application, exit this application, click on the "Projects" link from the left menu, select "Renewal Project Application FY2019" from the "Funding Opportunity Name" dropdown, click on the folder icon to create a renewal project, and select an expiring renewal project from the drop down list next to the "Import Data From" field.

3. Specify which screens require changes by clicking the checkbox next to the name and then clicking the Save button.

Recipient Performance

1. Did you submit your previous year’s Annual Performance Report (APR) on time? Yes

2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No

3. Do you draw funds quarterly for your current renewal project? Yes

4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? Yes

4a. If HUD recaptured funds provide an explanation.

The program saw additional challenges this year in successfully finding housing for individuals, given the tight rental market in our area coupled with staffing challenges with our partner agencies impacting their ability to spend contracted amounts and committed match.
Renewal Grant Consolidation or Renewal Grant Expansion

The FY2022 CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will submit individual applications.
   a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
   b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.

2. HUD HQ will combine the budget data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

1. Is this renewal project application requesting to consolidate or expand? No
   If "No" click on "Next" or "Save & Next" below to move to the next screen.

1. Provide a description that addresses the entire scope of the proposed project.

The Homes for Good consolidated Shelter Plus Care (S+C) tenant-based rental assistance program provides housing to families and chronically homeless individuals with disabilities. The majority of the participants have co-occurring mental health and substance abuse issues. Other target populations served include Veterans, people living with HIV/AIDS, chronic health conditions, developmental disabilities and those experiencing or fleeing domestic violence.

Working with community partners who provide case management and mental health counseling to address individuals with dual diagnoses, Homes for Good coordinates the housing assistance in the private rental market to promote independent living. Housing is subsidized and supported with a program of intensive case management provided by case managers who have multiple specialties.

This permanent supportive housing project for homeless and chronically homeless individuals with disabilities and their families provides 73 units, with at least 75% designated to serve the chronically homeless. Supportive services are provided to help clients obtain and maintain self-sufficiency. Case management is included to assist with planning, coordination, resource acquisition, skill development and emotional support. Participants will reside in scattered site permanent supported affordable housing through a Housing First approach. The goal of the program is to promote participants’ independence and provide them with permanent housing. The consolidated grant outcomes include: a) Housing Stability: 80% of participants will remain in permanent housing as of the end of the operating year or exit to permanent housing destinations during the operating year. b) Income: 53 percent of participants' average monthly income will increase, largely from enrollment in public benefits programs, such as SSI/SSDI and SNAP.
2. Check the appropriate box(s) if this project will have a specific subpopulation focus. (Select all that apply)

3C. Dedicated Plus

This screen is currently read only and only includes data from the previous grant. Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

1. experiencing chronic homelessness as defined in 24 CFR 578.3;
2. residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
3. residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
4. residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
5. residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
6. receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.
1. Is this project “100% Dedicated,” “DedicatedPLUS,” or "N/A"? (Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of “non-dedicated permanent supportive housing beds” in the NOFO Section III.C.2.p).

6E. Summary Budget

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC’s final HUD-approved FY 2018 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2018, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
