Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the submission deadline stated in the Unsheltered and Rural Homelessness Special NOFO.

The CoC Priority Listing includes:
- Unsheltered Homelessness Set Aside New Project Listing – lists all new project applications applying for funding through the Unsheltered Homelessness Set Aside that were approved and ranked or rejected by the CoC.
- Rural Set Aside Project Listing – lists all new project applications applying for funding through the Rural Set Aside that were approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2022 CoC Program Registration process. Only 1 UFA Costs project application is permitted and must be submitted by the Collaborative Applicant. The UFA project must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and must be submitted by the Collaborative Applicant. The CoC Planning project must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:
- All projects must be approved and ranked or rejected on the Project Listings. This includes funding for CoC Planning and UFA Costs, which must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected: however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Heceta Housing Navigation (SSO)

Project Detailed Descriptions

1. Willamette Rapid Rehousing Project
Willamette Rapid Rehousing is a rapid rehousing project which facilitates the rapid placement of individuals experiencing homelessness into permanent housing. Willamette RRH will serve primarily single adult households who are literally homeless. Households receive financial assistance, along with case management and supportive services, in order to achieve stability in permanent housing. Willamette Rapid Rehousing will serve at least 12 households with adults only at any given time.

2. Heceta Housing Navigation SSO Project
Heceta Housing Navigation Supportive Services Only (SSO) project will support expended staffing to work throughout the CoC, assisting individuals who have secured a voucher (e.g. Section 8, Emergency Housing Voucher, Stability Voucher, or Other) but who are not yet housed. This project will fund 2 FTE that will assist an estimated 50-60 individuals over the term of the grant with short-term housing navigation and case management services to facilitate movement to permanent housing. These support staff will work in coordination with landlords, property owners, community resources, and housing programs to ensure individuals are able to move to permanent housing as quickly as possible upon securing a voucher. Staff may also work with individuals on the Central Wait List who are not yet connected to a housing provider or housing navigation services.
