YOU ARE YOUR BEST HELPER!
Hey there, you are your best helper and you have the power to make good choices for yourself! We know your reasons for trying to quit are important. If you want to stop smoking, vaping, or using tobacco it is important to think about a few things.
1. Your brain will need some time to get used to life without nicotine
2. You will need to change some of your daily habits
3. It can be helpful to tell your friends and family that you want to quit because they can support you.
4. Quitting can be hard, but it is easier with help!

YOUR HEALTH TEAM
Doctors, nurses and your health insurance are all on your health team. They want to help you quit using tobacco or nicotine. If you need advice on quitting:
- Talk to your doctor or health insurance and tell them you want to quit.
- If you are pregnant and want to quit, call Lane County’s Quit Tobacco in Pregnancy (541) 682-4440.

USE THE OREGON TOBACCO QUIT LINE
- Call the Oregon Quit Line to receive local resources including quit programs, counseling, personalized coaching, and Nicotine Replacement Therapy
