NATURE OF STORY:     Labor Day Patrol Saturation Results

DETAILS:

During the Labor Day holiday, Lane County Sheriff’s Office deputies conducted grant funded overtime saturation patrols focused on reducing impaired driving, distracted driving, speeding and seat belt noncompliance related to vehicle crashes and injuries. These patrols are funded solely through grant monies provided through the Oregon State Sheriffs’ Association and the Oregon Department of Transportation.

Deputies had enforcement contacts for the following:

1  DUII
11 Driving While Suspended
35 Speeding Violations
39 Failure to Use Safety Belt
24 Distracted Driving
23 Other Citations
32 Other Warnings

Additionally, deputies made several arrests, 2 of which involved suspects attempting to elude police. There were 50 hours of grant funded overtime worked by deputies during this grant funded patrol saturation period.
