1) Call to Order and Introductions: 3:02 p.m.

05:20 2) Public Comment:
John Barofsky, a former Performance Audit Committee member, is attending today’s meeting to learn the status of the performance auditor recruitment.

07:00 3) Audit Committee Business:

Chair Miller requested an agenda change: Move the performance auditor update from Members’ Announcements to occur before Item D, Staggered Terms.

A. Fraud, Waste and Abuse (FWA) Hotline Report:

Mr. Dingle reported that Lane County contracts with Lighthouse Services, a third-party that provides FWA hotline services and explained the process. The March complaint was about temperature changes in the public service building and was forwarded to the facilities department. The April complaint was about the emergency rental assistance program, and was forwarded to the State of Oregon to research because they administer the program.

Member Cowles asked how often employees are reminded of the hotline service. Mr. Dingle stated that the hotline number is available on the intranet but there hasn’t been recent communication about it. Ms. Moody reported that the hotline number is printed on all employee pay advices.

Member Brown suggested including guidance on when to use the hotline (even if the complaint isn’t FWA related), the process, and to encourage staff to speak with their supervisor prior to using the hotline). Mr. Dingle will draft FWA hotline verbiage for the committee to review (prior to sending communication to all staff) and will confirm where the number is listed, if the number is included on vendor checks, and if it’s listed on the County Counsel and Human Resources websites.
B. Minutes:

17:10 Member Brown motioned to approve the January 24, 2022 meeting minutes. Member Snyder seconded the motion. The minutes were approved among voters present.

C. County Performance Auditor’s Office Budget:

18:44 Ms. Moody reported that no notable changes were made to the FY22-23 Performance Auditor’s Office Budget.

Member Announcement (Agenda Order Change) Performance Auditor Recruitment Update:

20:24 Mr. Mokrohisky reported that Human Resources is reviewing the Performance Auditor position.

County Counsel is retiring at the end of this year and the Board of County Commissioners (BCC) has prioritized the recruitment for that position. After that process, Human Resources can begin work with a recruitment firm for the Performance Auditor position. Recruitment is expected to occur in October or November 2022.

Ms. Brown expressed concern with potential recruitment occurring so late in the year. Mr. Mokrohisky shared that the county has recruited several key senior level positions in the last few months and feels that the time frame planned is suitable. However, an issue could occur with the quality of the recruitment pool.

Mr. Cowles suggested utilizing a signing bonus from unspent budget funds due to the tight labor market. Mr. Mokrohisky stated that the county would need to review whether the state law still allows that option. The Pay Equity law has hampered the ability to pay bonuses because it has an impact on equity. He is optimistic with the county’s ability to recruit good talent for this position.

Vice Chair Ladley asked if the job description has been reviewed and updated. Mr. Mokrohisky shared that the Human Resource Analyst is currently reviewing the compensation, classification and job description and the information will be forwarded to the BCC, Performance Audit Committee, and recruitment firm in the next month or so for review.

Member Brown asked if the county looks internally to fill the County Counsel and Performance Auditor positions and explained the benefits that internal staff would offer by already knowing the county culture, systems, departments, and people. Mr. Mokrohisky replied that the county does look at qualified internal applicants.

Mr. Mokrohisky will provide an update on the Performance Auditor recruitment at the September Performance Audit Committee meeting. Chair Miller and Ms. Holtgrieve will schedule a mid-late September meeting date.

D. Committee Staggered Terms:

45:44 Chair Miller reported that two committee member terms were extended last year which has resulted in three committee terms expiring on January 31, 2023.
Option 1: Extend the three terms expiring January 31, 2023 one more year to keep continuity on the committee for the Performance Auditor recruitment process.

Option 2: Create new staggered terms and update the Bylaws.

Chair Miller mentioned there had been a previous proposal to change term lengths to three consecutive terms and asked the committee if they wanted to keep the two consecutive terms or change it to three terms. Mr. Dingle stated that there isn’t an issue in amending the committee bylaws to extend consecutive term lengths.

Vice Chair Ladley stated that if there is a concern on extending term lengths, that the bylaws could be updated to reflect that if the Performance Auditor position is vacant for a certain amount of time that the committee would have three year terms in an effort to keep the committee positions filled.

BCC Chair Farr’s preference is to extend term lengths to three consecutive terms until a decision to hire a Performance Auditor is made. At that time, a term reset of the entire committee should occur.

Member Snyder requested sending revised bylaws verbiage (regarding extending committee terms to three consecutive terms) to the committee prior to the September meeting for review. The committee could vote on bylaws changes in the fall and send recommendations to the BCC to approve afterwards. The committee agreed with this recommendation.

1:04 4) Members’ Items and Announcements:
Member Cowles reported that he is a non-voting ex-officio member and is retiring at end of this year. He suggested having Mary Vuksich-Shafer, Assessor Elect, fill his position. Ms. Holtgrieve will research whether a recommendation to the BCC in the fall for approval is necessary.

Commissioner Farr shared that Tom Turner (former Sheriff) passed away. He was one of the original members who wrote and started the Performance Audit Committee.

Member Brown recapped the action items from the meeting.

Chair Miller asked the committee an ice breaker question prior to adjournment.

5) The meeting adjourned at 4:14 p.m.

Dear Performance Audit Committee,

At the last meeting you requested specific language that:

• Remind staff of the hotline service;
• Where to find number and information;
• How FWA complaints are handled; and
• Encourage employees to speak to their supervisor first before using hotline

SUGGESTED Text:

Dear Lane County Employees,

I wanted to take a minute and remind you that Lane County Maintains a Fraud, Waste and Abuse Hotline. The Hotline is maintained and run by an outside vendor and the County does not have the ability to access any information about complaints except what the complainant chooses to permit the vendor to disclose. After a complaint is received the vendor sends an e-mail. The complaint is triaged by County Counsel, the Human Resources Director and the Operations Director to determine how the complaint should be investigated (reported to law enforcement, referred to an outside agency, or investigated internally by the County) depending upon the nature of the complaint. Each month, a report is generated by the vendor and County Counsel reports to the Performance Audit Committee quarterly what was done to respond to each complaint. Employees are reminded the Hotline is just one way a complaint can be made. The complaint can also be made to a supervisor or manager.

ARTICLE IV
MEMBERSHIP

Section 1 – Committee Size

The Committee will have five voting members, one County Commissioner and four at-large members, appointed by the Board of County Commissioners, and five ex-officio non-voting members.

The method of selecting candidates to fill the at-large positions is determined by the Board of Commissioners.

Section 2 – Membership Requirements

The four at-large members must be residents of the County, not employed by or under contract with the County, and collectively possess sufficient knowledge in performance auditing and public management practices. Desirable qualifications to be considered may include experience as a performance auditor, a Certified Public Accountant, Certified Internal Auditor, public manager, or other relevant professional experience.

The five ex-officio non-voting members of the Committee consist of one County-wide elected official (sheriff or assessor) or designee, and the County Administrator or designee. The County Administrator may appoint three additional members from within the County.

ATTACHMENT D
Section 3 – Terms

Of the four at-large members, one member will be appointed for a term expiring on January 31, 2017; one member will be appointed for a term expiring on January 31 of the following year; and two members will be appointed for a term expiring on January 31 of the subsequent year. Thereafter, members will be appointed to three-year terms. See the table below for specific term expiration dates.

The length of terms may be adjusted in order to create or maintain staggered terms. When a Performance Auditor is on staff, the four at-large members are limited to two full consecutive terms, with one year intervening before they become eligible for reappointment.

When a Performance Auditor position is vacant, the four at-large members may serve three consecutive terms (instead of two terms) to allow for continuity on the committee and to ensure the committee positions are filled to assist with onboarding a new Performance Auditor. Once a Performance Auditor is hired, a calendar year term reset to allow for staggered terms (and two consecutive terms) would be reapplied to the committee term schedule.

Section 4 – Officers

The officers of the Committee will be a Chairperson and a Vice-Chairperson to be elected annually at the first quarterly meeting. The officers will hold office for a period of one year, beginning at the first quarterly meeting. Officers must be members of the Committee. A vacancy of any officer will be filled not later than the second regular meeting of the Committee following the vacancy.

Section 5 – Attendance

Members will attend meetings regularly and participate actively in Committee meetings. If a member is absent and unexcused for two consecutive meetings, that member will be recommended for removal by the Committee. An unexcused absence is defined as an absence without notifying the Chair of the Committee, the Chair’s designated appointee, or County staff, prior to the beginning of the Committee’s regular quarterly meeting.

Recommendation for removal will be provided by the Committee to the Board of County Commissioners for a final determination.

Section 6 – Removal

An officer may be removed from office, by vote of the Committee. Committee members may be removed from their positions by a majority vote of the Committee recommending removal, and that recommendation for removal will be provided by the Committee to the Board of County Commissioners for a final determination.

Section 7 – Vacancies

A letter of resignation signed by the resigning member must be submitted to the Board of County Commissioners by the department staff liaison before advertising for a vacancy on the Committee. In the absence of such a letter, the department staff liaison will include the reason for resignation in a memorandum to the Board of County Commissioners along with the request to advertise the vacant position.

If a vacancy occurs on the Committee, the Board may, as soon as practicable, appoint a person to serve the unexpired portion of the former member's term.

A person currently serving on the Committee who wishes to be considered for another term must complete and submit a new application. It will be the responsibility of the department staff liaison to notify current members and the Board of County Commissioners at least two months prior to the expiration of terms.

Veteran Preference Information
Summary:
In July of 2020, HR completed a review of the Performance Auditor salary classification. Given the time that passed, this review updates the information and recommendation based on current information. In order to match our market comparators as closely as possible, the grade should be changed to D62, as recommended in the July 2020 review, and a new sub-range E should be created for the position. This would be an adjustment of the range from $82,804.80-$121,721.60 to $96,824.00-$142,355.20.

Since 2020:
- Two of our comparator counties (Clackamas and Deschutes) increased staffing in their Internal Audit departments. At the time of the last analysis those counties, like Lane County, had a single County Auditor that did not manage additional staff. Currently, the County Internal Auditors at all four of our comparator counties who have internal audit departments oversee one to three other auditors.
- The July 2020 Salary Classification Review recommended that the position move to a higher sub-grade decision band (from D61 to D62.)
- In December of 2021, Lane County conducted a salary analysis for non-represented positions, and placed positions into subranges that were reflective of salary rates for similar positions at comparable counties. Based on that analysis, the Performance Auditor position was placed in subrange C, which represents a 10% increase over the base D61 salary range.

Results:
- The current Performance Auditor salary classification falls almost 20% below market when compared to other County Internal Auditors.
- Maintaining the position in the D61 classification and moving it up to sub-range E results in the position being about 13% below market compared to other County Internal Auditors.
- Implementing the 2020 recommendation to change the salary grade to D62, and placing it in a newly created subrange E, which is 2.5% greater than sub-range D, places the position 2.35% below the market for County Internal Auditors. Once Lane County’s COLA for non-represented staff is implemented in roughly 5 months, the Lane County rate would be less than half a percent off market.
- As part of the “hiring pipeline” for the Performance Auditor position is senior staff auditors looking to take the next step in their career, the proposed salary range for the Performance Auditor classification at Lane County was also compared to senior staff auditors at comparator counties. The proposed salary range is 18% above the range for senior staff auditors at comparator counties.

Recommendation:
- Moving this position into grade D62 in the E subgrade would both bring it in line with the compensation for County Auditors at our comparable counties, and create competitive compensation for individuals with experience as staff auditors for other governmental entities who may be part of our recruiting pipeline.
