OLD BUSINESS:
- Ron reported the ACS name change from "Seniors" to "Older Adults" is now with the City Attorney’s office for review. Following approval by the City Attorney, the request will go to the committee overseeing City commissions for review. If approved by this committee, the request will be sent to City Council. An update will be available early 2021. Following discussion by the Board on ways to expedite our name change request, Jeannie agreed to prepare a letter to City Council members reminding them of our request and asking for their approval. Jeannie will forward the letter to Gloria who will forward the letter to all City Council members.

- Library Rail-card dispersal. Gloria provided the rail cards to all Aurora branch libraries for them to use as bookmarks when checking out books and other information to patrons. Juanita requested Jeannie follow-up with Midori Clark to obtain an update on our Senior Corner proposal and appropriate distribution of rail-cards.
• Jeannie reviewed revisions made to Commission By-laws which were discussed at the previous meeting. Each revision was discussed, and several new revisions were requested to include additional language to the Purpose and Objectives sections, and to change the way expense reimbursements are approved. Following discussion, upon motion, second and unanimous vote, the Board approved the revisions to the body of the By-laws.
