   Agreed to rename it Service Member and Veteran Volunteer of the Year, to remain consistent with the revisions to the ordinance. There would be three categories, Active, Reserve/Guard and Retired. Nominations would have to come from the non-profit or organization they volunteered at; individuals cannot self-nominate. The commission recommends a minimum of 100 hours volunteered. The volunteer work needs to benefit veterans, and/or families of veterans that are active duty or guardsmen. The commission receives the nominations, reviews and submits winners to the city’s Volunteer Program Coordinator. There was a debate about discharge status, specifically as it relates to dishonorably discharged. The discussion included as to whether the commission should/can ask for discharge information. Staff Liaison’s Jamie LaDuke and Chad Angell were asked to research if other boards/commissions do volunteer awards and the requirements. No resolution or vote was made, discussions will continue.
