He explained the processes, timelines and conditions of the Consent decree as it relates to the Civil Service Commission. He expressed that it was a collaborative process between the City and the Attorney General’s office. Chair Weeks expressed concern that the Consent Decree appears to mandate the change of AFR and APD making the final selection of who is hiring in coordination with Human Resources immediately, rather than 455 days from appointment of the Consent Decree Monitor. Schulte explained the intent of this consent decree is for these changes to be implemented after review with the Consent Decree Monitor and Outside Expert and not immediately.
